### *President F. Bringle McIntosh*

Dr. Frank Bringle McIntosh assumed his duties as president of Ohio Northern University on June 1, 1949. Dr. McIntosh's experience in the fields of religion and education well qualify him for the tremendous task he has undertaken. He has already proved his capabilities through the past year.

Dr. McIntosh received his A. B. degree from DePauw University, his S. T. B. from Boston University, and an honorary D. D. from DePauw University in 1945.

Previous to his election as president of Ohio Northern he was a trustee of Ohio Wesleyan University and superintendent of the Toledo District of the Methodist Church.

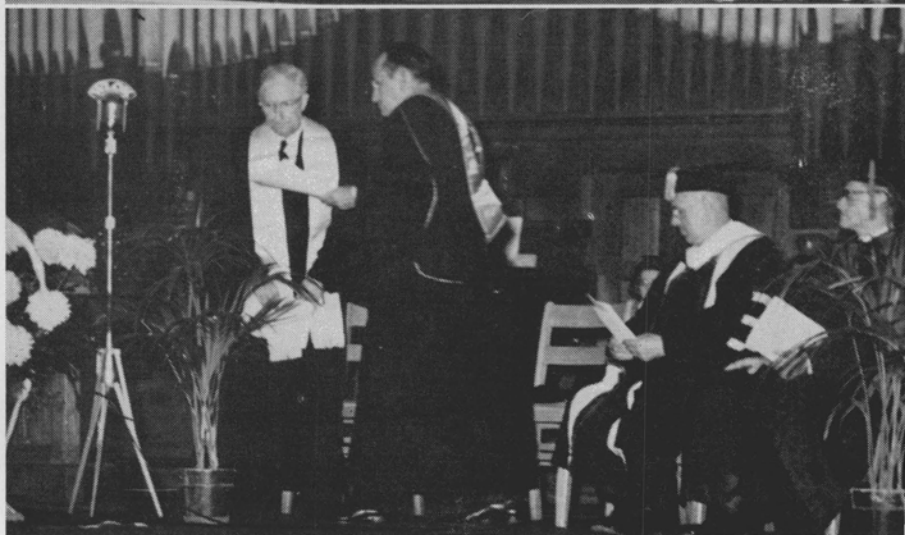

## Inauguration

On Sunday, October 9, 1949, Dr. Frank Bringle McIntosh was inaugurated as the sixth president of Ohio Northern University.

In the academic procession were representatives from over 125 colleges and universities, including educational and church organizations and learned societies. This was a most impressive list, containing the names of many of the oldest and largest universities in the country, such as Harvard, Yale, Columbia, Rutgers, and Dartmouth.

Bishop Hazen G. Werner, Methodist Bishop of Ohio presided at the inaugural ceremonies and delivered the charge to the new president.

## *Board of Trustees*

The members of the Board of Trustees are often obscure figures to Mr. Average College Student. However, they have come to the front many times in the past year in connection with the rejuvenation of Ohio Northern University. To these people goes much of the credit for the advancements that have taken place in the university.

The membership of the Executive Committee of the Board of Trustees includes the Honorable E. S. Mathias, Supreme Court Judge of Ohio, as chairman; Dr. John H. Clark, lawyer and chairman of the Board of Trustees; Dr. F. Bringle McIntosh, president of the university; and Mr. A. A. Stambaugh, vice-president of the Standard Oil Company of Ohio.

The death of Mr. Jay P. Taggart, prominent Cleveland lawyer, leaves a vacancy on the Executive Committee which will be hard to fill. In addition to being a member of this committee, Mr. Taggart was secretary of the Board of Trustees and a former dean of the Warren G. Harding College of Law.

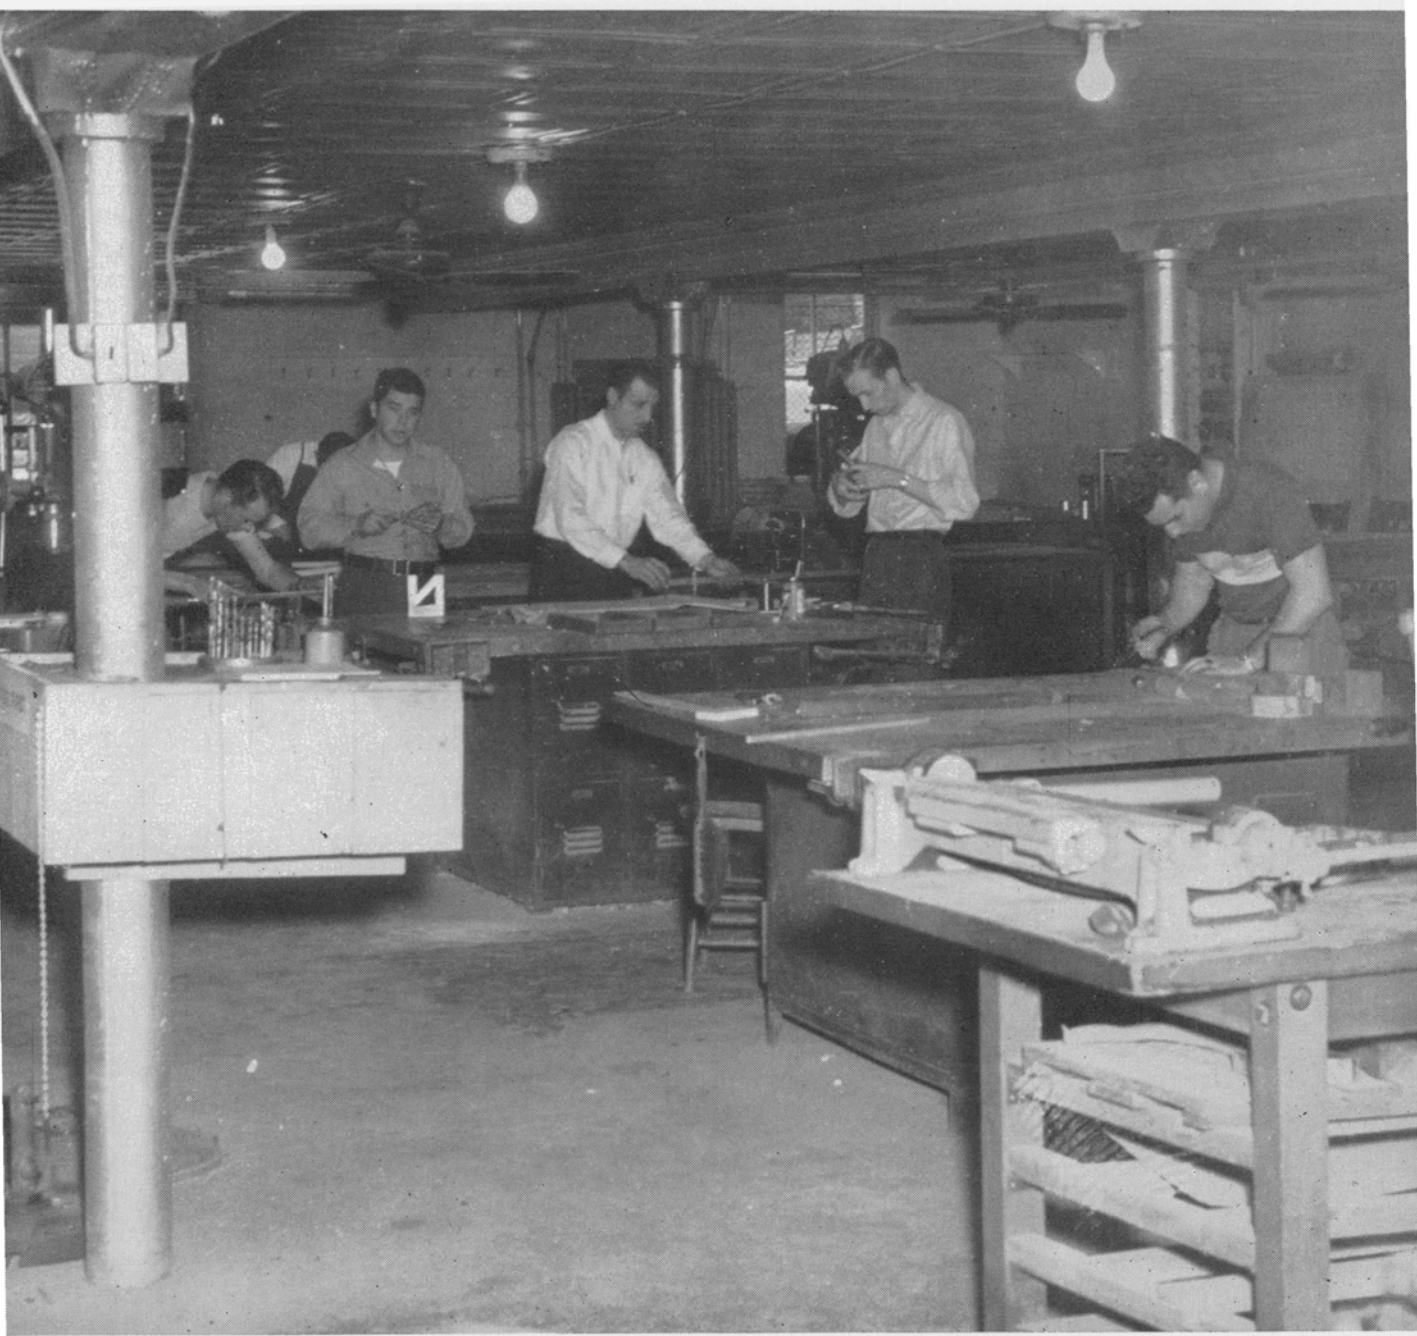

Dr. Woofter; Rev. Wintringham; Mr. Guild; Dr. Otte; Dean Webb; Mr. Peterson.

### *Administration*

The administrative officials of a college are much like the line of a football team. They take a lot of the knocks and receive little recognition for their efforts. To the Dean of the University and Dean of Men, Dr. Otte; Dean of Women, Mrs. Webb; Public Relations, Dr. Wintringham and Mr. Guild; and Registrar, Dr. Woofter; and the Business Manager, Mr. Peterson; we say "hats off".

These people devote much of their time and talents to assist students in personal problems as well as promoting Ohio Northern University.

May this brief recognition be an inspiration for them to continue on with the fine work they have been doing.

1950

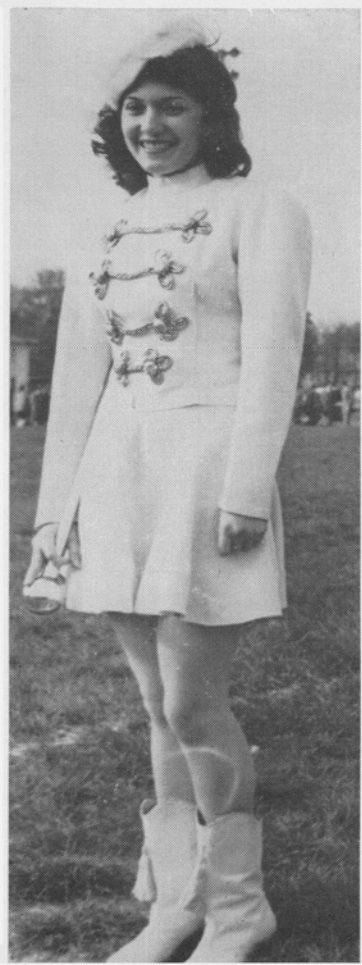

traditions

# Ohio Northern's Band

One of the greatest traditions on any campus is the marching band. Ohio Northern's band is no exception to the rule. Under the direction of Prof. Jones this group has made many strides forward. The band has been on hand for all campus occasions including the foot-

ball and basketball games at which they did a very fine job of entertaining the spectators. This is also the same remarkable band that entertained the lawyers on Thursday mornings during assembly programs. Miss Jo "little bit" Caltegrone did a remarkable job of leading the band at the annual homecoming festivities.

# Pharmacy Open House

The Pharmacy College staged an open house this year for the benefit of the public. The Pharmacy College was open a whole day with the pharmacists in charge. Hand lotion, made by the pharmacy students, was given to each visitor who attended the exhibition. Several experiments were performed at the sessions for the public to see. It was a very interesting experience for all of those who attended the Open House as well as good experience

for those students who participated. It took a great deal of work to collect the specimens and to work out the experiments. There was a great collection of items that were exhibited for the public to observe.

This was a new experiment tried in the Pharmacy College this year. We're all looking forward to another Open House next year.

# Homecoming Queen And Court

Homecoming Queen honors were taken for the first time in a number of years by a lovely independent candidate, Miss Lois Stedcke of Celina, Ohio, a freshman in elementary education. During half-time ceremonies at Memorial Park, Lois was crowned by President McIntosh. Attending the Queen this year were three charming ladies who had earlier been chosen by the fraternity men as candidates for the same honor. Representing Phi Chi, Tau Kappa Kappa, and Theta Phi Delta, respectively, were Mary Lou Vail, Irma Susany, and Gerry McGrew.

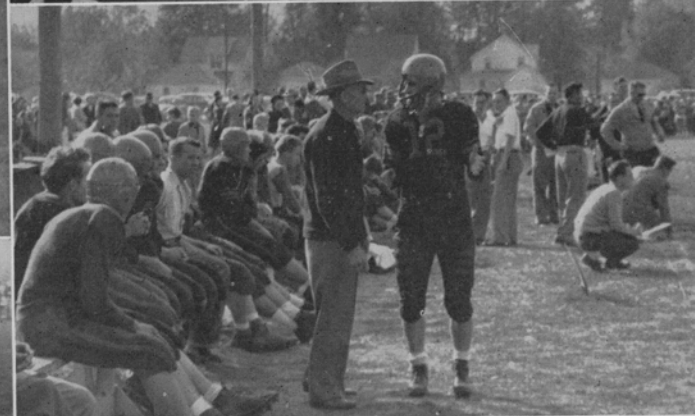

# Flag Pole Rush

The customary flag pole rush between the freshmen and sophomores was a thrilling send-off for Homecoming. The vigorous battle was waged at Wibbeler Field on Friday, October 14. The sophomores gathered around the pole, which had a "liberal" coat of grease about midway up the pole, to protect the flag.

The freshmen genii had worked hard to devise a way to get that flag. Several freshmen with gas masks threw tear gas bombs, which only temporarily dismayed the sophomores.

Although the freshmen put up a gallant fight, they failed, as usual. Freshman traditions continued until the end of the quarter, with the little orange and black beanies and the Student Handbooks continuing to be in evidence.

# Homecoming Decorations

Homecoming at Northern would have little to offer in the life of special physical attraction for the Alumni if it were not for the decorations of the fraternity and sorority houses. This year the decorations were especially noted for their uniqueness and originality.

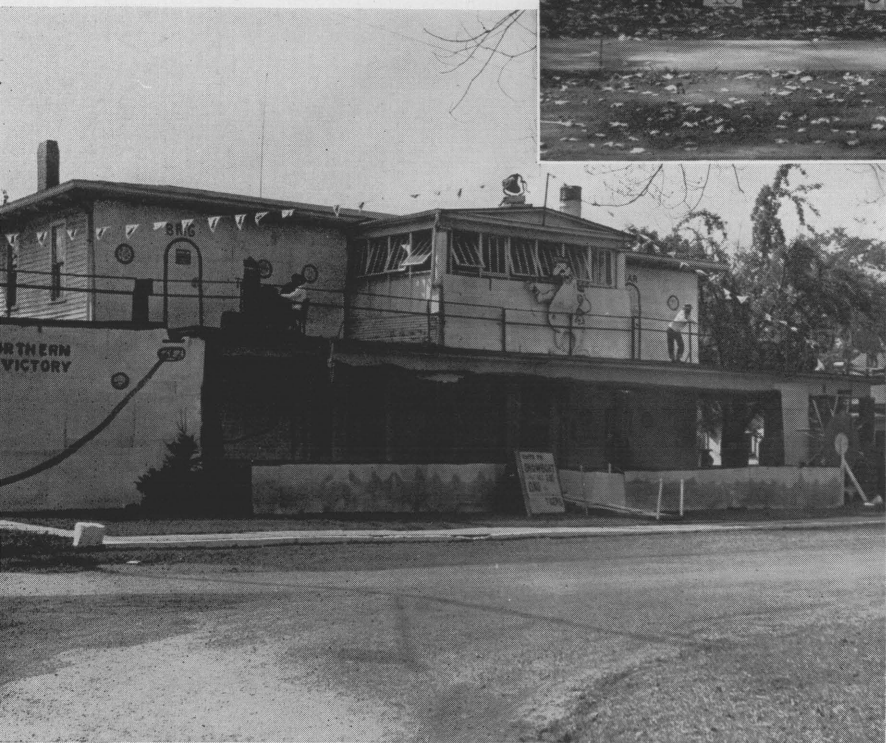

For the first time in several years the sun shone down on the decorations, making the enjoyment of these attractions more interesting.

The Thetas took first place for the sororities, with their theme a manuscript of music entitled, "Hold That Tiger". The T. K's. were a half-point behind, with their theme a barbershop and "Trim Wittenberg".

The Kappa Psi's for the second year placed first in the fraternities. Their topic was a ship entitled, "S. S. Victory."

With the combination of good weather and novel ideas for house decorations the 1949 Homecoming was one of the most enjoyable ever held.

UPPER RIGHT: Theta Phi Delta.

CENTER: Kappa Psi.

LOWER RIGHT: Tau Kappa Kappa.

# *Pushmobile Races*

The annual fraternity pushmobile race was again a well-attended event of Homecoming. The race began at 10 a. m., proceeding from University Avenue to Union Street, southward to Lima Road, east to Main Street, and north to the finish line in front of Lehr Auditorium.

For the second year in succession the Kappa Psi Fraternity took first place in the pushmobile race.

A new feature this year in the pushmobile program was a race between the three campus sororities, TKK, Phi Chi, and Theta Phi Delta. It extended from the Dobins Avenue traffic light to the front of the campus. The TK's won first place, winning by a hair's breadth over the Phi Chi's.

# Homecoming Dance

The annual homecoming dance was held in Taft Gymn with numerous alumnae present. There was much laughter and merry-making and everyone enjoyed the dancing. The highlight of the evening was the crowning of the queen, Lois Stedke, a freshman. The queen and her court reigned over one dance during the course of the evening's festivities.

Erma Susany; Mary Lou Vail; John Padden, Pres. of Student Council; Lois Stedke, Queen; Jerry McGrew.

# Homecoming Game

The football game between Northern and Wittenberg gave the homecoming alumnae and visitors plenty of excitement. Although the score was only 6-0. This tally came in the third period when Bob Donelson cut tackle for the only score. Although statistics show that Northern dominated the whole game, Wittenberg made the Bears work hard for their victory.

One of the two long drives by Northern started late in the first period when the Bears took the punt on their own ten and marched to the Tiger six yard stripe before bogging down.

Halfway through the third period Northern took the ball on the forty-four yard line of Wittenberg and marched the distance. With a series of short passes, the ball was worked down to the two yard line where Donelson took the ball over the double stripe.

# Messiah

The annual presentation of the "Messiah" was sung December 11, 1949, in Lehr Auditorium. This year was the first that Ohio Northern students had sung the solo parts in the great oratorio. Mary Alice Spar of

Ada, and alumnus, was the featured soprano soloist. Loretta Darnell, alto from Ada; Russell Willeke, tenor from Arlington; and Sonny Claypool, bass from Kenton, were the students represented as soloists.

# Messiah

Joyce Fisher, also a Northern student, was the piano accompanist; Professor Lamale accompanied on the organ. The soloists were supported by a one hundred voice chorus. The

chorus included members of the Ohio Northern chorus-choir and many townspeople. The "Messiah" is written in three parts, but only the Christmas portion was sung, concluded by the glorious "Hallelujah Chorus".

# Campus Highlights

Among certain campus highlights that were in the lime-light this year was the construction of the girls' dormitory. It will be completed in the fall of '50. Two days of classes were

called off when the weather man came through with a cloud-burst and the flood. Dr. Freeman and the leads from Twelfth Night. Dr. Freeman was presented a plack at one performance for his loyalty to the school and to the student body. Hell week! !! What more can be said about it?

# *Inter-fraternity Dance*

The 1950 social calendar was begun on January 14, when the campus Greek men combined their efforts under the direction of the Interfraternity Council to stage their annual Inter-fraternity Ball. Still following the tradition of the past years, the dance was held at Taft Gymnasium. Under the blue and white canopy of streamers were the Defiance Collegians, of Defiance College, who provided the music for the fraternity men and their dates. The danceable music and sociable atmosphere helped to make the dance a well-attended and well-remembered event of the winter season.

# *Barristers' Ball*

ONU barristers and their belles danced and made merry on Friday evening, April 28, 1950, at the annual Barristers' Ball. Sponsored by the Junior Bar Association, the ball this spring was celebrated in Springbrook Gardens' Country Barn, to the danceable strains of the Hank Armentrout orchestra.

Chaperoned by Dean C. W. Pettit and Professor and Mrs. F. J. Kelly, some one hundred student lawyers and their guests spent an enjoyable evening of dancing, with a floor show for added entertainment.

The Barristers' Ball is the only purely social event of the year scheduled by the Junior Bar Association and is the major activity of the spring quarter. Consequently it is an evening of merriment with matters of legal import determinedly put into the background. For one night at least the lawyers can forge contracts, constitutions, and conflicts of law in favor of contracting a rosy glow with the fond hope their constitutions can withstand the morning-after conflicts.

## *A. Ph. A. Dance*

The A. Ph. A., pharmaceutical association, held its formal dance in Taft Gymnasium. This is the second year for this organization on campus and so this consequently was the first formal dance the organization has held. Maralyn Little, Theta Phi Delta sorority, was crowned queen during the highlight of the evening's entertainment. She was attended by Gerry McGrew, Theta Phi Delta and Beverly Davis, Tau Kappa Kappa. Everyone enjoyed the evening of gaiety and dancing.

# *Engineers' Week*

It has been the custom for engineering colleges throughout the United States to celebrate one week in the school year as Engineers' Week. Ohio Northern celebrated it this year the week of April 11 to April 15.

The engineering college, through the efforts of its three main departments; civil, mechanical, and electrical engineers procured speakers, and for three days of the week the engineers were treated to talks on topics covering engineering, its applications, and its connection with transportation.

This year found the engineers dancing to the music of the Defiance Collegians, while between dances the engineers and their dates gazed at the joint exhibit set up for their benefit. The main exhibit consisted of a huge mock landscape with running trains, mountains, tunnels, a lighted village, and a reservoir with water running over a dam and through spillways.

# Tri-Sorority Formal

The annual Tri-sorority Formal was held at Kenton Elks Club on April 22, 1950. Music for this cooperative affair was provided by the Defance Collegians from 9:00 P. M. to 12:00 P. M. Off the main dancing floor were two beautifully decorated rooms for relaxation between dances. A television set in one of the rooms attracted the attention of many.

The spirit of comradeship and cooperation provided by the sororities at this dance is always a means of inspiration for a closer welding together of the three groups during the following year. All who were present at the 1950 dance agreed that this was one of the best and most successful of the Tri-sorority Formals ever.

# May Day Court

On May Day, King Leo Murphy and Queen Eileen Heinrich reigned over the entire day's activities. The attendants were: Marilyn Haskins, junior; June Ridenour, sophomore; and Sue Morrison, freshman. To prepare the Royal Court for the May Day activities, the merchants of Ada Presented them all with beautiful gifts. In the Terrace Tea Room the festivities began with a formal breakfast given in honor of the King and Queen. Throughout the day the Court was kept busy when the ribbon in front of Lehr was cut by the King and Queen, the parade was led by the float carrying the Royal Court, the first baseball of the game was thrown by the King, and finally the coronation of the King and Queen in the evening at the May Day Dance.

# May Day Floats

UPPER LEFT: Alpha Sig Float—Dance of the flowers.

LOWER RIGHT: Phi Chi Float—Graduation.

The May Day parade contained this year thirteen floats. The 'N' Men's honor float led the parade with the Engineer's float following. This year the fraternities and sororities gave a one hundred percent cooperation in entering floats. All of the floats were built with the idea of some of the various school activities, which occur in the month of May. Judges for the floats were secured from the Columbus Dispatch, radio stations WIMA and WLOK in Lima. The Phi Chi sorority won first prize for the best sorority float; the Alpha Sigma Phi, for the fraternity float; and the Engineers, which was the only independent, for the best independent float. Trophies were presented to the first prize winners.

# May Day Dance

The annual dance concluded the May Day festivities. Hal McIntyre and his famous orchestra furnished the music for the listening and dancing pleasure of the couples. The orchestra broadcast from

the Taft Gymnasium over Lima station from 11:30 until 12:00. At this time the king and queen were presented to public radio listeners. For the first time in several years the couples were dressed in formal attire.

**LEFT:** Ed Sandy, the pitcher.

**CENTER:** Three (3) Cedarville players arguing with a bewildered, searching ump.

**RIGHT:** King Leo throws ball at the opening of the seventh inning.

## *May Day Game*

May Day spirits were somewhat dampened as a Cedarville nine tagged up six runs against two for Northern to give the Bears their first defeat in eleven games.

In the fourth inning of play with a 4-0 score Ed Sandy relieved Don Black and after allowing two more runs shut out the visitors the rest of the way.

Northern averted a shutout when Willoughby and Miller each scored in the ninth inning after three hits and a walk in that inning.

One of the highlights of the afternoon came at the beginning of the seventh inning when King Leo took the mound to throw the first pitch.

Prior to this a classic dispute delayed the game in the early innings but was finally settled by a rule book conference of officials and coaches.

Dear Miss Jones:

It is difficult to choose the prettiest girls from photographs only, but Wally Westmore, Paramount make-up artist, graciously consented to help us.

After taking into consideration personality, hair-do, and balance of features, we have made our decision as marked on the photos being returned herewith.

Hoping no one gets hurt, and with best wishes,  
I am

Sincerely,

# *Graduation*

Two hundred and twenty-eight seniors received diplomas in May at Ohio Northern University. President F. Bringle McIntosh delivered the sermon at the baccalaureate services while Charles F. Kettering, director and research consultant for General Motors Corporation, gave the main address at the graduation exercises. Graduation exercises were held in Lehr auditorium on May 28, 1950, at 3:00 P. M.

Seven honorary degrees were given at this graduation exercise. The degree of Doctor of Humanities was conferred on Mr. Charles F. Kettering, the main speaker of the day.

Several in this graduating class received distinction or high distinction honors in their various fields of endeavor. This class will long be remembered by all of us who have spent some time here with the various members of the class. We wish you all the success you so heartily deserve.

## Charles F. Kettering

Mr. Kettering was guest speaker for the graduation exercises held in Lehr Auditorium on May 28, 1950. The degree of Doctor of Humanities was conferred on Mr. Kettering at this time. Mr. Kettering is director and research consultant for General Motors Corporation.

## *Student Christian Association*

The Student Christian Association began its sixth year on the campus with a huge get-together for all students in September. Throughout the academic year it continued to be a pacemaker on the campus.

The organization was completely reorganized this year. Many varied and interesting programs were offered. The group, in co-operation with the chapel committee, sponsored the Religion in Life Week, with Dr. George Lackland as the principal speaker. Another service presented was the World Student Service Fund Drive.

The official family for the year included: James Banks, president; John Elliot, vice-president; Ruth Campbell, secretary; Marilyn Jenkins, treasurer; Ruth Schertzer and Richard Peoples, membership; David Sano, recreation; Howard Hunter, programs; Lois Stedke, music; Anne Bell, publicity; Mrs. Owen, Miss Craft, Professor Hanson, and Professor Tinsler, advisors.

# *Ministerial Association*

The students on the campus who are preparing for the ministry, meet on alternate Tuesdays for a luncheon meeting at the Terrace Tea Room. This group, which is known as the Student Ministerial Association, discuss problems pertaining to the religious life of our society and specific problems which confront the minister in his work today. These group meetings provide an opportunity for each student to express himself according to his own personal convictions. The purpose of fellowship and discussion together is to increase the student's understanding of man's relationship to God and the duties of a minister in serving society.

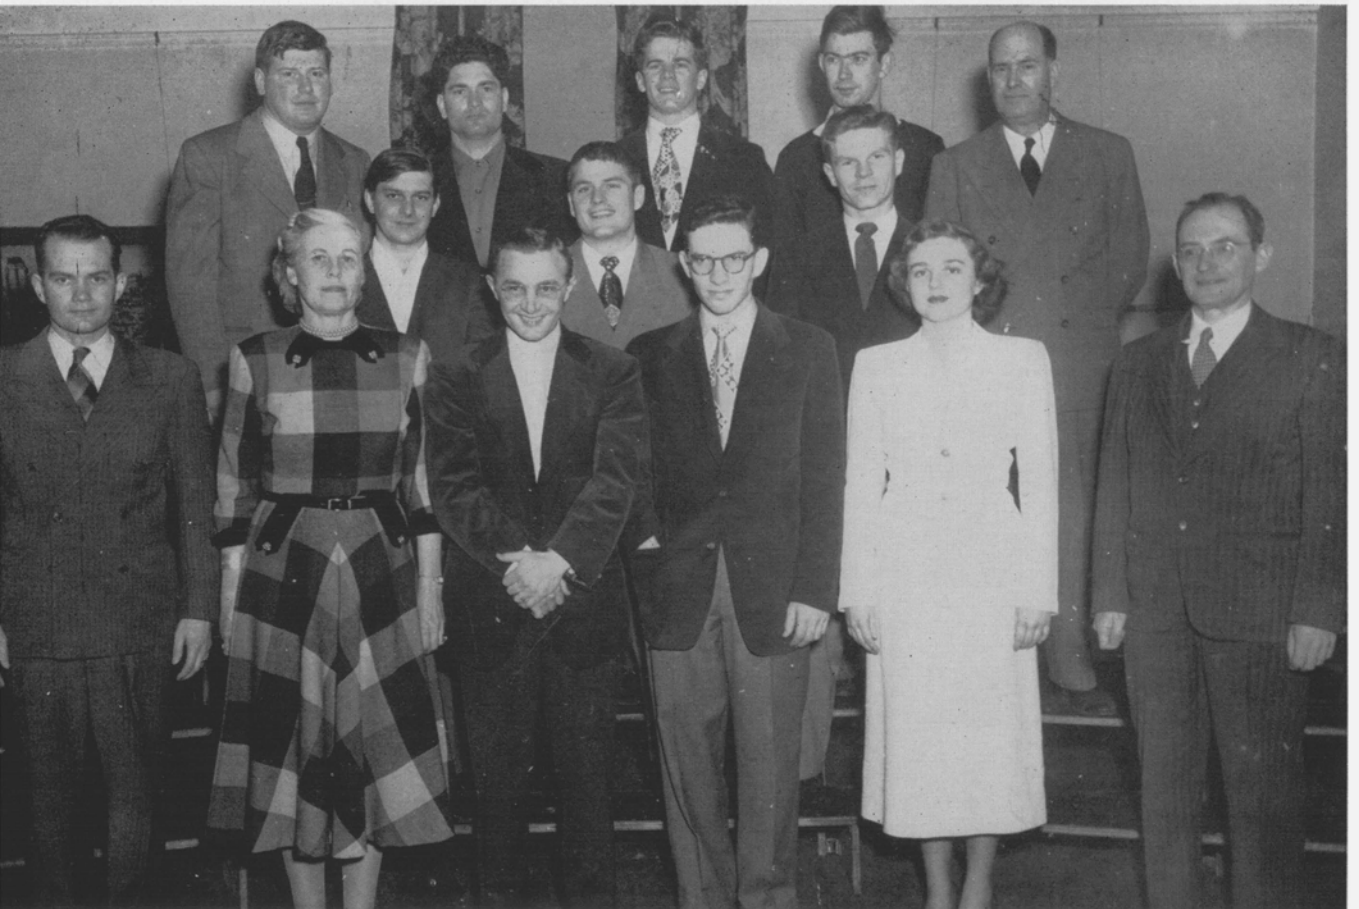

At different times during the year the meetings of the Association have been attended by guest speakers from schools of theology and from prominent churches in Ohio.

# *International Relations Club*

The International Relations Club seeks to promote interest in the various problems, both contemporary and future, which confront the nations of the world. Such topics as "Should the United States Recognize Communist China?" and "Another Global War?" have been discussed in this year's meetings. Although primarily a students' organization, membership is open to anyone wishing to join.

Officers elected at the beginning of the winter quarter were: Warren Looker, president; Richard Jones, vice-president; and Howard Keefer, secretary-treasurer.

## *Student Council*

The Ohio Northern University Student Council is the student government of the university. It is under the leadership of John Padden, assisted by Robert Goverick, vice president; Shirley Hindall, secretary; and Lynn Anderson, treasurer. The Council elected Dr. Otte for the advisor of this year. Along with such delegated powers as supervisor of class elections, all-campus social functions, and freshmen customs, the Student Council also instituted the Student Activity Fee on this campus. In cooperation with the faculty and administration, the Student Council allocates the funds of the Student Activity Fee, plans and sponsors the Homecoming celebration and the May Day events. As representatives of the student body, the job of each and every Student Council member is of great importance and worthy of full support and cooperation.

# *Chorus-Choir*

The Chorus-Choir so named by its present director Professor Karl A. Roider, has again added to the excitement and beauty of campus life. This year the Chorus-Choir's itinerary included: Homecoming; The Messiah; The Easter cantata; The Crucifixion; New York tour; Choral Cabaret; various concerts given in neighboring towns; and the spring concert.

As a special feature of this year's work, the Chorus-Choir, while in New York City, made recordings at the RCA recording studios. An album was designed of the choir's favorite numbers, and released for purchase by the alumni and friends of Ohio Northern University.

Officers for this year were: Russell Willeke, president; Dick Suhr, treasurer; Joyce Fisher, recording secretary; and Loretta Darnell, corresponding secretary.

# *Choral Cabaret*

"Holiday!" The melodious theme rang from the rafters of Taft Gymnasium as the Ohio Northern Chorus-Choir presented its third annual Choral Cabaret. In the Fred Waring style, the songs of the choir again delighted a capacity crowd on December 2, at the opening of the holiday season on campus. Under the direction of Professor Karl Roider, the chorus-choir entertained its audience with numbers exemplifying the holiday in the East and in the West, and featured once more the beloved "T'was the Night Before Christmas". The evening marked the first public presentation of Professor Roider's own composition, "Evenin' Time".

Before a huge log-cabin fireplace backdrop, the handiwork of Sonny Claypool, the choir, flanked by Christmas trees, performed a completely choral program, featuring a six-man quartet, the "Holidears". The evening was climaxed with a snowfall of paper streamers and artificial snow from above. Members of the group presided at a refreshment booth, and the orchestra of Max Finch provided danceable music for the rest of the evening's entertainment.

# O. N. U. Band

The opening performance of Ohio Northern's marching band was this fall at Homecoming, under the direction of Professor Walter Jones. Shirley Hindall served as drum major, with Josephine Caltagirone and Florice Johnson acting as majorettes.

During the fall and winter quarters, the band played snappy marches and novelty numbers for assembly every Thursday. A pep band was organized for all home basketball games during the winter quarter.

The Spring Concert, which was presented in Presser Hall on April 18, was well-attended by townspeople and students.

The officers for the group were: Bill Rhoades, Librarian; Norma Rath, Secretary.

FIRST: R. Lillie; D. Jones; E. Bahmer; J. Padden; D. Cryder; F. Curtis; W. Kevern; R. Suhr.

SECOND: Prof. Ranny, C. Byers; J. Baker; M. Godwin; S. Hindall; M. Jenkins; B. Kennedy; R. Gamble.

THIRD: A. Dister; J. McGrew; M. Wolfe; M. Ferrill; J. Laukoff; J. Ulmer; B. Moore.

## Northern Players

The Northern Players, under the direction of Professor Bale, will have learned their lines and put on the grease six times during the year to produce "first nighters." They called Presser their home and made the theater their life. The players opened an outstanding season with William Roos' Broadway hit *January Thaw*. The laughter had hardly ceased echoing before once again the houselights were dimmed and the theatergoers hurried to their seats to be held in the spell of *The Fool*. The next two major productions were presented by student-directors "Ripper" Suhr and Cloyd Byer, who climaxed their dramatic careers with *Rip Van Winkle* and *The Black Flag*. Laughter was once again the keynote as the local critics acclaimed William McCleery's sparkling Broadway hit *The Parlor Story* a delightful success. The tender comedy, *Twelfth Night*, was staged with splendor and grandeur unmatched by any previous artistic effort by the Players.

"Parlow Story"—John Stuckey, a college newspaper editor; and Colleen Polen, his sweetheart.

"Rip Van Winkle"—Rip, Dick Suhr—He plays the leading role and also directed the play.

"The Fool"—Colleen Polen; Joan Laukoff; Jim Banks; Dick Suhr.

"Rip Van Winkle"—Rip, Dick Suhr with Jerry Rymer.

## *Business Club*

The Northern Business Club has as its aims the promotion of interest in the profession, the introduction of practical knowledge to the student through prominent speakers, and the enhancing of the student's social bearing.

In carrying out these aims, the club toured Westinghouse in Lima and the Goodyear Rubber Corporation in St. Marys. Prominent speakers have shortened the distance between class room theory and actual business practices.

A banquet was held by the group in the Argonne Hotel in Lima. Also, this spring the members sponsored a benefit card party.

Under the auspices of Ed DuFresne, president; Keith Bastian, vice president; Waneta Ransbottom, secretary; and Richard Wolford, treasurer, the organization demonstrated great gains in 1949-50.

FIRST ROW: C. Elliot; P. Gilliland; F. Weishampel; J. Clarke; J. Wolfe; T. Caltigirone.

SECOND: D. Basinger; H. Grover; J. Elliot; R. Whetstone; R. Pollock; Dean Huber; G. Graber, E. Nonnemaker; Prof. Yingling; J. Meffley.

## *Biology Club*

The Ohio Northern University Biology Club was organized in 1937. Since that time the club has provided stimulation of interest and congenial companionship for all students of biology. The club meets twice a month to hear a speaker, to enjoy a film, or to engage in discussion. Socially, the club has two picnics and a chili supper each year.

Thad Gilliland was crowned as president this year in the traditional manner with the human cranium. Other officers are vice president, Gene Graber; and secretary-treasurer, Robert Whetstone. Dean H. E. Huber is faculty adviser to the club.

FIRST ROW: J. Baker; R. Suhr; J. Padden; R. Gamble; D. Cryder.

SECOND ROW: T. Tyne; Prof. Ranny; S. Hindall; M. Jenkins; W. Kevern, C. Byer

THIRD ROW: B. Kennedy; J. Ulmer; M. Ferrell; M. Godwin; B. Moore.

## *Theta Alpha Phi*

In 1921 the Epsilon chapter of Theta Alpha Phi was organized on Ohio Northern's campus, with Major Deming, one of the charter members, as advisor.

The present adviser is Prof. J. B. Ranney, head of the Department of Speech.

This year many new members were initiated, including Prof. William G. Bale, Theatre Arts teacher, Robert Gamble, Marilyn Jenkins, Shirley Hindall, John Padden, David Cryder, Florence Weishampel, William Kevern, Richard Suhr, Basil Byer, Janet Ulmer, Martha Lou Godwin, Marilyn Ferrell, and Jonathan Tyme.

Officers for the year were Beverly Kennedy, president; Betty Lou Carr Moore, vice-president; Virginia White, secretary; and David Cryder, treasurer.

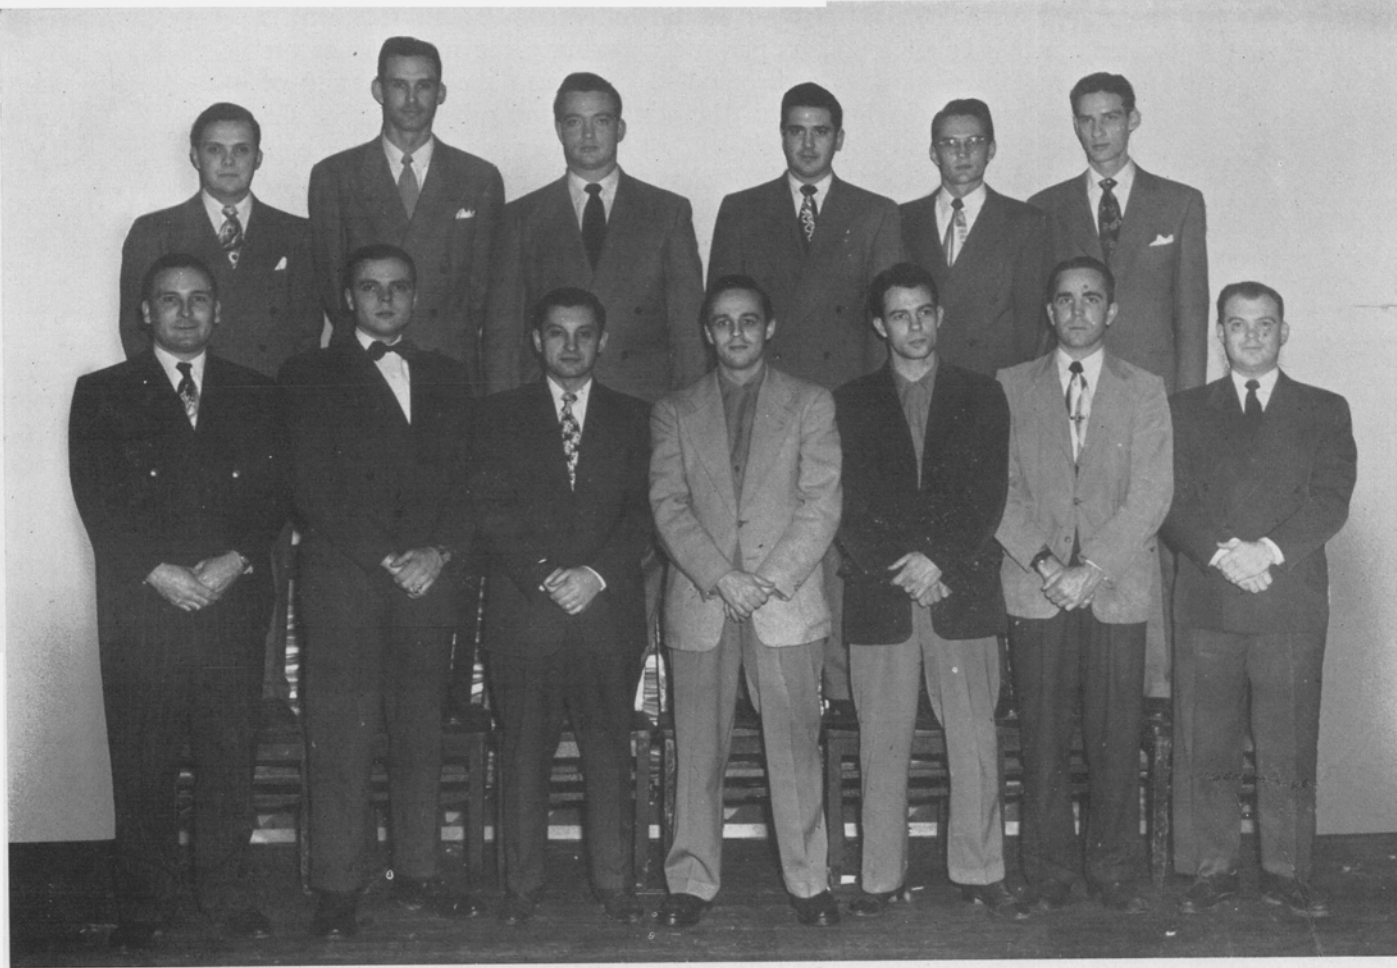

# *A. Ph. A.*

The Student Branch of the American Pharmaceutical Association was organized on Northern's campus in the fall of 1948 and received its charter in March of 1949. Its purpose is to bring the members of the pharmacy college closer together and to give them the opportunity of becoming better acquainted with the workings and procedures of the American Pharmaceutical Association. At the meetings, which are held every second and fourth Thursday evening the members hear guest speakers from the different branches of Pharmacy and see many educational movies. The climax of this year's activities was the annual Open House.

# *Toastmasters*

BOTTOM ROW: R. Hall; J. West; G. Mazzarus; W. Oxley; J. Baker; W. Carpenter; Shuttleworth.

Toastmasters is a national organization established for the promotion and perfection of public speaking. The aim and goal of the group is to instruct its members not only in the art of public speaking, but also to help them overcome some of the most common faults which plague those who one day may be called upon to address the public. Each law student is called upon to render two speeches per quarter, consisting of one legal topic and one non-legal topic.

At the completion of each speech this student is thoroughly criticized by the rest of the Toastmasters upon all phases of the address but the subject matter.

## *Junior Bar*

The purposes of this organization are to unite the students and faculty of the college of law in a body devoted to the welfare and prestige of the college and the legal profession; to inspire its members to strive for justice to all and honor to the profession; to encourage and assist in the maintenance of high standards of legal scholarship; and to promote fellowship among its members.

To these ends, the Junior Bar Association sponsors a banquet with a legal speaker each fall and winter quarter, and in the spring quarter the annual social event, the Barristers' Ball.

# Si Dekes

Omicron Chapter of the Intercollegiate Law Fraternity of Sigma Delta Kappa was founded on Ohio Northern's Campus in 1923. It is the outgrowth of the Ohio Northern Law Club. Like most professional fraternities, the purposes of the organization are directed toward scholastic accomplishments and the promotion of fellowship and legal knowledge. To aid the furthering of these purposes, the fraternity has a library of law books for the use of the membership, the upper classmen conduct reviews for the underclassmen, and a course in parliamentary procedure was conducted this past year.

Because of the fraternity's nature, social events are held to a minimum. However, a Christmas dance was held for members and their wives and sweethearts, and other social events made their appearance from time to time. Officers are: Robert Shaw, Chancellor; Paul Beach, Vice Chancellor; William Weidemann, Secretary; John Finney, Treasurer; and John Evans, Ass't. Treasurer.

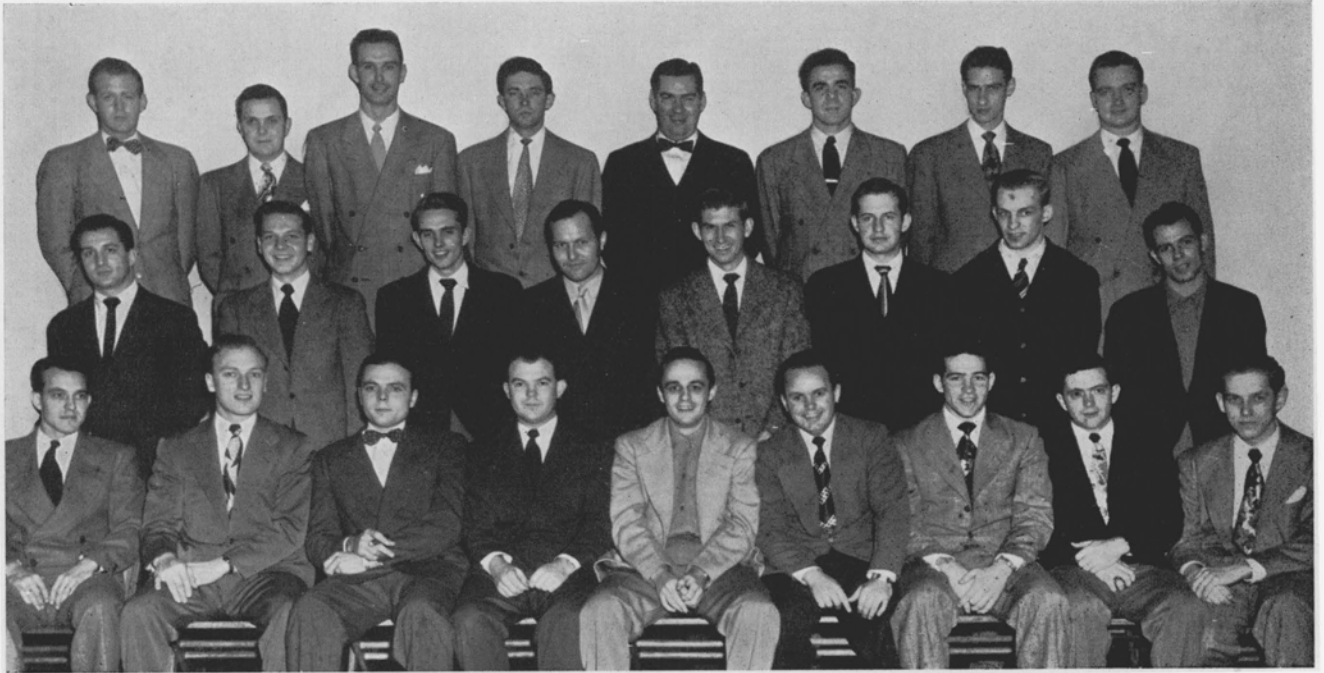

TOP, LEFT TO RIGHT: J. Evans; J. Havachoti; Johns; J. Rhondi; J. Finney; E. Miller; R. Hall; N. Boop.

BOTTOM ROW: C. Roberts; R. Corey; P. Beech; C. Sites; L. Deighel; W. Carpenter; R. Shaw; G. Mazzarus.

# *Delta Theta Phi*

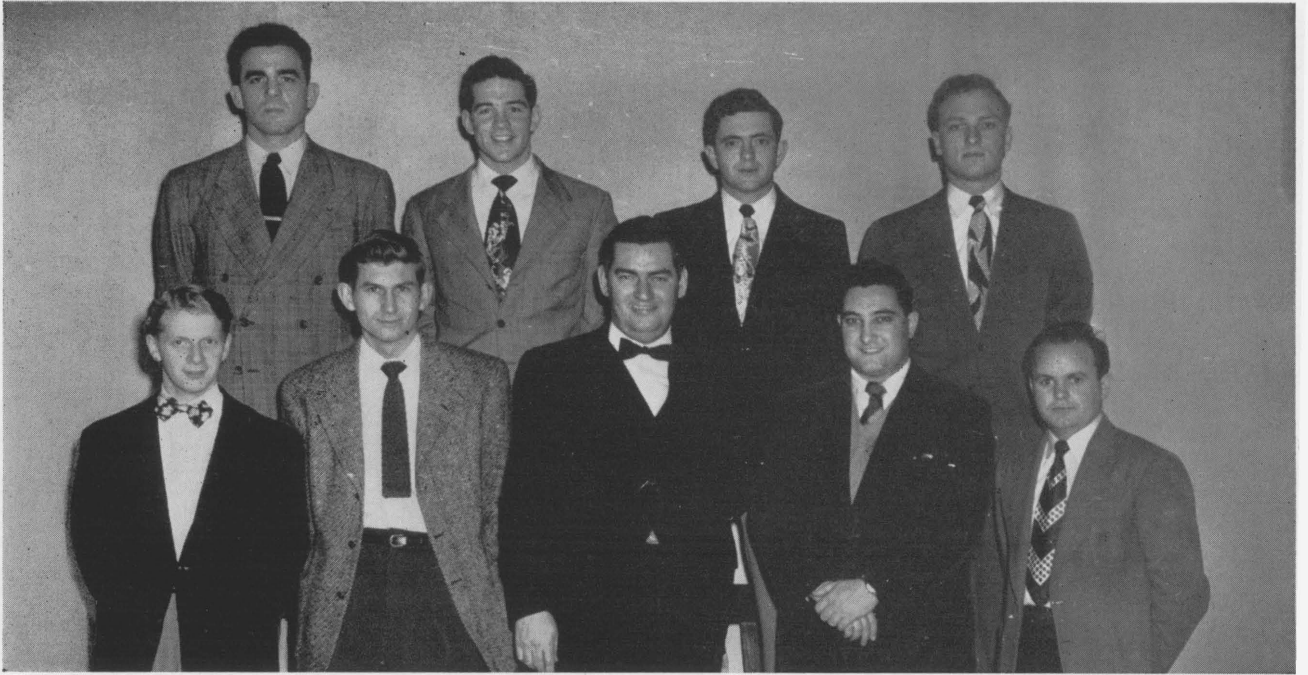

The purpose of Delta Theta Phi is to unite students of the law fraternally so that the traditions of the law and of the legal profession may be theirs. It is also the aim of the fraternity to promote higher legal learning and understanding among the brethren which in turn will better enable them to take their place in the profession.

In its fifty years of professional conduct Delta Theta Phi has been honored by many brothers both within and without the profession. Two of our better known members are: J. Edgar Hoover; Director, Federal Bureau of Investigation; and the Late Mr. Justice Oliver Wendell Holmes of the United States Supreme Court.

Officers of the year were: Dean, Robert Cox; Vice-Dean, James West; Tribune, Bill Shuttleworth; and Clerk of Exchequer, Daniel Knowlton.

Once a month the fraternity holds a luncheon at which a lawyer, judge, educator, or business man delivers a lecture upon some pertinent legal subject which will be of benefit to members of the fraternity. These lectures are extremely interesting as well as being of value. Other activities include various parties and dances scattered throughout the school year.

# *Les Avocats*

September 12, 1939, was the date when the Ohio Northern University chapter of Les Avocats was started. Each member has the opportunity to speak twice a quarter. One of the speeches deals with a current legal problem, and the other speech may be about any non-legal topic. The most important and beneficial part of the meetings is the constructive criticism following the speeches.

The officers are elected for a one quarter team, and in this way each of the members is given an opportunity to obtain experience in conducting meetings of a group of this type. The three chairmen for the year were Joseph Malone, Theodore Walker, and Leonard Schorfeld.

# Nu Theta Kappa

Nu Theta Kappa was organized on Ohio Northern's campus in 1915, as Alpha chapter. This honorary engineering fraternity since its beginning has been the scholastic goal for many of the engineering students on the campus.

Nu Theta Kappa's aim is to promote scholarship among the engineering students and to provide a common ground for the various technological backgrounds gained by its members. Candidates are required to have completed at least three quarters in residence with an accumulative point ratio of 1.7, as well as taking an active part in the other college and university activities.

During the course of the school year, one may see the initiates around the campus with a large duplicate of the fraternity key suspended from their neck. This key bears some identification that associates them with their particular department of engineering.

The current year has seen twenty men initiated into Nu Theta Kappa and the fraternity looks forward to enjoying a successful year with the aid of its new members.

Officers of the past year were John Huskins, President; Robert O. Wiley, Secretary-treasurer. Faculty advisor is Dean A. R. Webb.

FIRST ROW: Prof. Sheldon; Prof. Kelley; Dean Webb; Prof. Klingenger; T. Gilder; R. Witt.  
SECOND ROW: W. Breda; R. Wiley; W. Wills.

# *A. I. E. E.*

The prime objectives of the AIEE are to advance the theory and practice of electrical engineering and to give the student additional information and techniques which he cannot acquire in regular classes.

In the year 1949-50 the organization blended its social and technical meetings to attract the interest of all its members. A lecture sponsored by the Federal Communication Commission, an inspection trip through the Sylvania Electric Products plant at Ottawa and participation in engineers week were some of the activities of the successful year.

Joseph Erdos took top honors in a technical paper contest held by the society and he also received honorable mention at the district presentation held at Easton, Pa.

Officers for the year were: Marion Walls, chairman; Robert Drake, vice-chairman; Loyal Ruegsegger, secretary; and Richard Reinhart, treasurer.

# *A. S. C. E.*

The student chapter of the American Society of Civil Engineers celebrated its twenty-fifth year on the Ohio Northern campus with this session. Since its founding in 1925, the student chapter of A. S. C. E. has served as the motivating factor in helping the young engineer to locate his goal. This is done through a vigorous and well-coordinated schedule of weekly meetings, where prominent guest speakers and informative films offer a more complete and non-academic view of the profession. Another aim of the society is to acquaint the membership with the varying aspects of civil engineering through individual talks by the members during meetings. The combination of the varied functions of the society helps to develop an alert and open-minded engineer.

Robert C. Sheldon, Professor of Civil Engineering, served as faculty advisor of the chapter in place of Dean Alexander Webb, who resigned after twenty-four years of immeasurable service. The officers during the past year were: John Dixon, president; Robert Wiley, vice-president; Richard Krotz, secretary; and Robert Napier, treasurer.

# *A. S. M. E.*

Nineteen forty-nine and nineteen fifty marks the 28th year that Ohio Northern has been affiliated with the student branch of the American Society of Mechanical Engineers.

Briefly, the purpose of this organization is to promote the arts and sciences that are connected with the mechanical engineering field thru an interchanging of ideas at technical discussions, which are held regularly through the year. In effect it serves to indoctrinate the embryonic engineer in his chosen field of endeavor.

Our chapter has been guided through the current year by the following men: John Pochinsky, president; William Wills, vice president; Vernon Vincent, treasurer; John Woodruff, secretary; and Prof. Weishampel, faculty advisor.

# Kappa Kappa Psi

The College of Engineering at Ohio Northern University has established the Engineering Executive Council to make the three engineering societies, Electrical, Mechanical, and Civil, more homogeneous.

The Executive Council consists of twelve officers, four from each society. From these twelve men the Council elects its own officers. Officers for this year are as follows: John Dixon, president; Marion Walls, vice-president; John Pochinsky, secretary; and Vernon Vincent, treasurer.

Activities arose in the current year in which each society has had an active part. Joint meetings are held when a speaker is obtained to discuss subjects pertaining to the engineering profession of all societies. Joint meetings are also an aid when audio-visual material is obtained concerning all three groups.

The duty of the Council is to plan an expedite "Engineers' Week", which is one of the main functions in the engineering college. This week consists of a program planned by the full cooperation of these societies, which will be interesting and beneficial to all. The "Engineers' Ball" is presented annually as a climax for the week.

## *Kappa Kappa Psi*

Sigma Chapter of Kappa Kappa Psi was founded on the campus here at Ohio Northern University in 1927. It has functioned as an active organization since then, except from 1942-48 when it became temporarily inactive. Last spring the chapter was reactivated and since then the relatively small group comprising its membership have done several things to better its position here on the campus. Among these have been: the painting and equipping of a meeting room on the third floor in the rear of Presser Hall, the aiding of Prof. Jones in making band formations for the football games, and the Kappa Kappa Psi show band used in some of the Northern Players productions.

The officers for the 1950-51 school year are: Max C. Beck, president; Robert Gamble, vice-president; Billy Rhoades, secretary; James Ewing, treasurer.

# *Association of Women Students*

The one organization which includes all of the women on Northern's campus is the Association of Women Students. This banding together encourages co-operation, promotes loyalty and self-control, and unites school spirit and fellowship among the women of Ohio Northern.

A musical, with student as well as faculty participation, was held early in the Fall quarter for faculty wives and all co-eds. Also in the fall a Leadership Dinner was given, honoring all women who held offices in the various campus organizations.

The crowning activity of the winter quarter was the annual winter formal. The decorations this year were carried out in a "Snow Ball" theme. The Vespers were also given, featuring the Ave Maria dance.

# Ohio Northern Educational Association

With the reactivation of the Ohio Northern Educational Association in the winter quarter the students welcomed back to campus an old organization. Like so many others it was forced to disband during the war years but already has made a bid as one of the outstanding groups on campus.

The organization was headed this year by Ralph Pollock, President; Olan Reese, Vice-president; and John Tyme, Secretary-treasurer.

Plans have been made to affiliate with the National Educational Association next fall, and the student branch will be known as the Future Teachers Association. Through this means and the uniting of the various branches of the Education Department on campus the professional standing of teachers will be emphasized.

# Campus Couples

It seems that Cupid is continually using his bow and arrows around the campus for each year there appears numerous couples who are seen constantly together holding hands or talking quietly over a coke in one corner of the Cub.

Among such couples this year we find:

Ken Prentice and Dottie Telfer

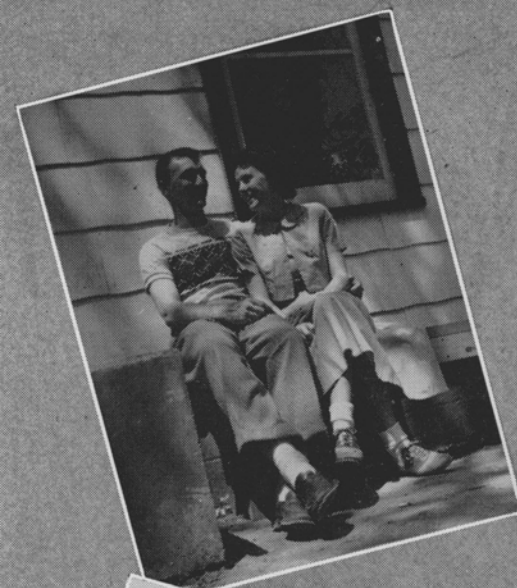

John Swope and JoAnn McHenry

Dean Porter and June Ridenour

Dick Jones and Sally Asman

Jim Starr and Phyl Jones

Bob Donelson and Georgia O'Brien

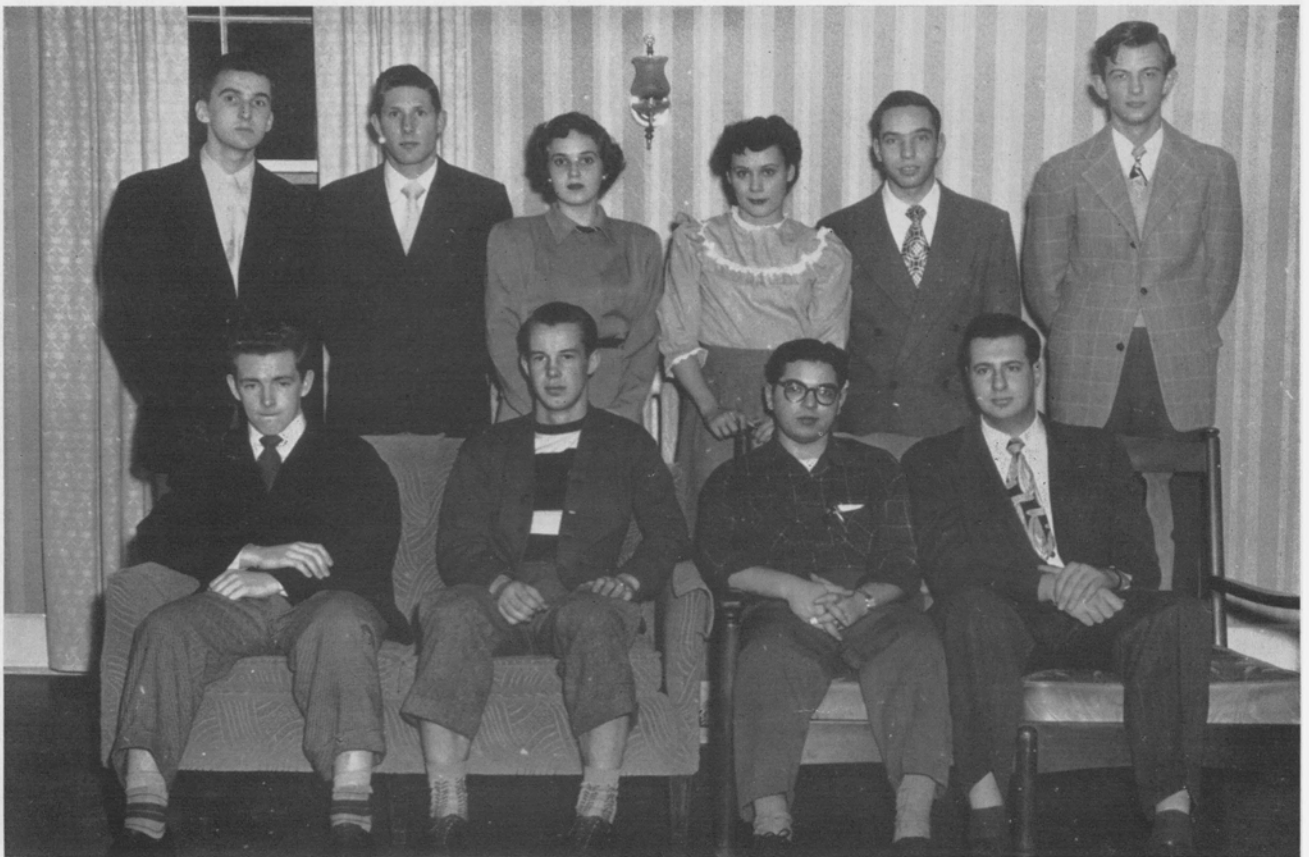

# Northern Review

The Northern Review is the student newspaper of Ohio Northern and is published bi-weekly. During the last year many improvements have been made in the Review and it has now reached a point where the Review can do a better job of covering the news for the students at ONU.

The Review is the students spokesman and is one of the ways for the students to ask the administration questions. The paper also gives the Student Council backing and thus gives it strength through voice. Mainly, the Northern Review is continuing to keep the attitude of Free Press alive on the campus.

At the beginning of the Spring Quarter Jerry Guild was named as our new Executive Secretary. Also at the beginning of the spring quarter, Jim Parks was appointed as new editor to succeed John Studkey. Charles Wright was appointed as business manager, who was preceded in this office by Jerry Rymer.

FIRST: A. Sibbring; R. Lillie; T. Caltigirone; H. Kantrowitz.

# *The Northern*

The purpose of the 1950 *Northern* is to give to you, the student, in future years a memory by pictures of your year at Ohio Northern University. The 1950 staff have worked tirelessly to capture the highlights of this year's activities, both academic and social.

With Karl Dension and Dick Dennis behind the flash bulb we hope we have succeeded in some small measure to give you a complete resume of this year.

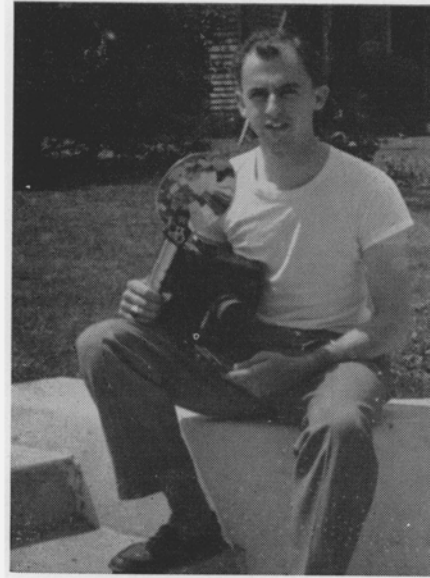

Without the help of those persons who contributed of their time and talents and yet were not on the staff this book could not be possible. We of the staff take our hats off to all of you who made this, the 1950 *Northern*.

**SECOND:** K. Dennison; F. Weishampel; R. Jones; B. Jones; C. Shuler.

## THE PHOTOGRAPHER

Karl Dennison is a senior in pharmacy and has worked on both the Review and the annual staff for *two* years.

## THE DIRECTORS

Sally Asman, the assistant to the assistant editor. Sally is a freshman in pharmacy and a member of the Theta Phi Delta sorority.

Barb Jones, the editor. Barb is a junior in Liberal Arts and a member of the Theta Phi Delta sorority.

Dick Jones, the assistant editor. Dick is a sophomore in Liberal Arts and a member of the Phi Mu Delta frat.

# Press Club

The Press Club was organized on campus in 1912 in co-operation with Alpha Phi Gamma, national honorary journalistic fraternity, which had its origin on this campus.

The purpose of the organization is to promote greater interest in the field of journalism and its related subjects.

Many guest speakers from the professional field were included in the programs this year. During the winter quarter the group held a banquet in the Terrace.

Officers for the year were: Virginia White, president; Jim Wagner, vice-president; Janice Howbert, secretary-treasurer. Advisors for the group were Dr. Hilliard and Professor Samad.

**FIRST:** J. Wolfe; C. Shuler; T. Caltegrone; A. Pashin.

**SECOND:** T. Helser; D. Rodgers; F. Weishampel; B. Tinsler; B. Jones; N. Rath; L. Stakely.

The honorary co-educational fraternity, Alpha Phi Gamma, is organized to recognize the individual ability of the college student in journalistic pursuits in colleges and universities and to generally promote the welfare of the college through journalism.

During the school year the members are busy attending regional meetings of the fraternity and working on the various publications of university such as the Northern Review and the Northern annual.

Officers for the year 1949-50 were: Dorothy Rodgers, president; John Stuckey, vice-president; and La Verne Stakely, secretary-treasurer.

# *Pan Hellenic Council*

The Pan Hellenic Council, which is composed of two members of each sorority, is the hub of the wheel of sorority life on campus. This organization under the advisorship of Mrs. Alexander R. Webb and Mrs. F. Bringle McIntosh, works as a unit to bring unity and friendship among campus women.

This group sponsored an all campus dance during fall quarter. The annual Tri-Sorority formal, which is one of the highlights of the spring quarter was held April 22. The scholarship trophy and Homecoming trophy were again presented to the deserving groups.

FIRST: W. Creps; B. Jones; B. Kennedy; N. Rath.

# *Interfraternity Council*

FIRST ROW: J. Pochinsky; J. Vos; M. Shaeffer; J. Weichart.

SECOND ROW: G. Wurster; J. Neidhart; Dr. Otte; E. Nonnemaker.

The Interfraternity Council has acted for many years as an agent to unify, both socially and administratively, the fraternities and the University. The Council's membership consists of the presidents of the various fraternities. Every spring new officers are elected; the ones for the past year being: Eldon Nonnamaker, president; Joseph Neidhardt, vice-president; Maury Corbin, secretary; and Glen Wurster, treasurer.

The group holds weekly meetings, where plans are originated for such campus affairs as fraternity homecoming programs, the inter-fraternity sports program, and fraternal social events. In addition, the Council makes and receives suggestions through the faculty advisor, Dean Louis Otte.

## Phi Chi

The past year has been a most successful one for Phi Chi. We began by moving into our new house and beginning the redecorating of the interior which is now nearly complete.

One of our new sisters, Lois Stedcke, was elected Homecoming Queen of O. N. U. She was the first freshman ever to receive this honor. Also at Homecoming we entertained approximately 75 returning alumnae at our Homecoming dinner.

Our biggest social event, the annual Sweetheart Formal, was held February 11, at the municipal building. All the newly pinned, engaged, and married couples were serenaded. Decorations were in keeping with Valentines Day. Other social events included hay rides, Christmas caroling, and house dances.

Carroll St. Louis was elected by the student body to Who's Who In American Colleges, for excellent leadership and scholarship.

Our number was increased during the year to a total of thirty-three with the initiation of seventeen new sisters. Two new associate members, Mrs. Walter Jones and Mrs. C. E. Wintringham, were also initiated.

## Tau Kappa Kappa

The sisters of Tau Kappa Kappa sorority celebrated their fiftieth year on the campus of Ohio Northern University by renewing their original purposes of establishing binding friendships, of promoting loyalty to their alma mater, and of encouraging high ideals in college and later life.

Every fall "bums" from far and near attend the Hobo Hop. In the winter quarter at the Washington Ball the ladies and gents were entertained by the 1950 pledges' chorus line. Then that one wonderful night at the spring formal when all the actives were transformed into Cinderellas for the Cinderella Ball!

But the T. K.'s do take time out from their social activities for studies. Not only does the sorority rate high scholastically, but it also obtained honors in the sports field by winning the girls' pushmobile race and the singles badminton championship, which was won by Loretta Darnell.

This year three associate members were taken in, and thirteen new sisters increased the number of active membership, to twenty-eight. The efficient officers chosen to guide the TK's in 1950 are Erma Susany, president; Billie Faith, vice president; Nancy Marcinett, sec'y; Hazel Hoxter, treasurer.

# Theta Phi Delta

Dolores Kison, treasurer; Ruth Conklin, secretary; Barbara Jones, president; Beverly Kennedy, vice president.

Graduation exercises marked the end of another school year and also the end of a very successful year for Theta Phi Delta. Beginning with the fall quarter the Thetas took a prominent part in campus activities.

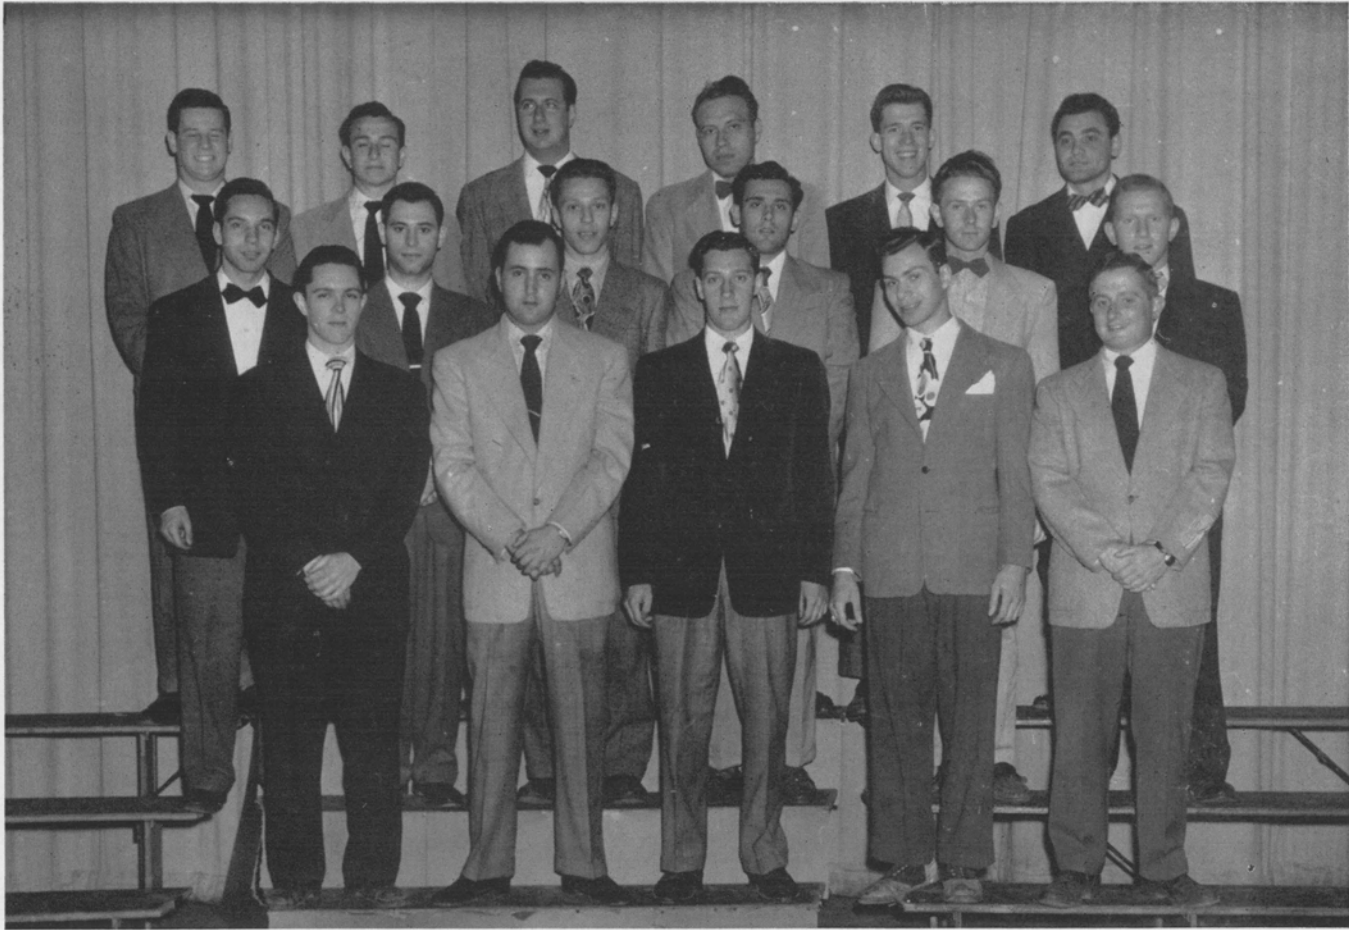

They were awarded the Homecoming decoration trophy for their theme of "Hold That Tiger!", and the traditional Homecoming open house welcomed many returning alumnae and friends. Beside the annual Winter Formal which took place at the City Hall, three house dances were held, one each quarter. The 1950 formal was built around a "Cover Girl" theme, with the refreshment room decorated as the "Mermaid Tavern".

The total membership of the sorority was swelled to thirty-four after winter pledging, which followed the highly successful rush party, "Neptune's Haven". Three new associate members were also added to the group, Mrs. Marvin English, Mrs. Robert Sheldon, and Mrs. Robert Hilliard, who also served as advisor for the group.

Officers for the year were: Barbara Jones, president; Beverly Kennedy, vice-president; Ruth Conklin, secretary; Dolores Kison, treasurer; Janice Bachert, pledge mistress; Geraldine McGrew, chaplain; Lois Nedro, historian; and Jaqueline McCollock, guard.

## *Alpha Epsilon Pi*

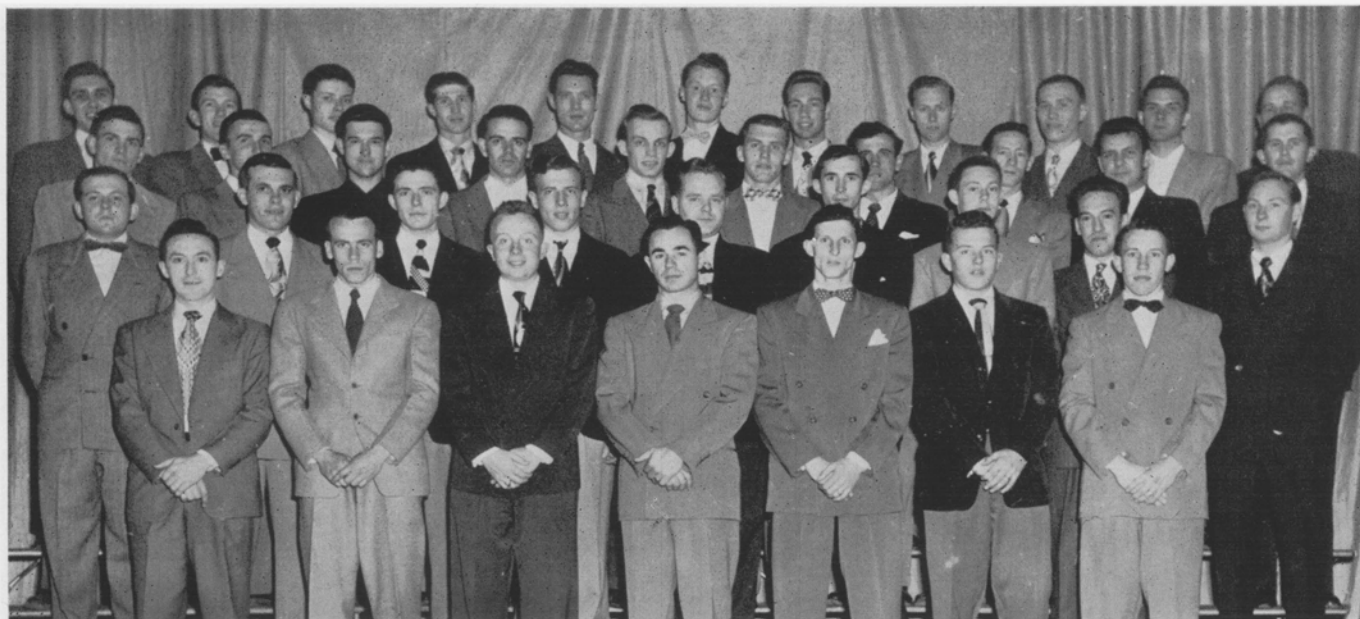

One of the oldest of the eight fraternities of Ohio Northern University and a chapter of the largest Jewish fraternity in the world, Kappa of Alpha Epsilon Pi has always endeavored to take an active interest in scholarship, social activities, and sport events at Ohio Northern. Kappa has as its purpose the development of a well-rounded personality for each member by emphasizing friendship, developing honesty and courage, and promoting a healthy spirit of cooperation and interest toward mankind.

Officers elected for 1950 were selected with an object of expanding the activities of the fraternity and a development of closer relationship with the Kappa Alumni. They include: Joseph A. Vos, Master; A. B. Levin, Lt. Master; Burton Goldenberg, Treasurer; Alvin Pashin, Scribe; and Leonard Davis, Member-at-large.

In addition to its social functions Kappa held its annual Alumni week-end, the highlight of which was the initiation of an Honorary member selected from distinguished graduates of the University. The conferring of this honor was the first in a series of biennial installations of honorary membership.

## *Alpha Sigma Phi*

During this past year our chapter has made a big step forward in brotherhood, intramurals, and outside activities. We took trophies in volleyball, softball, basketball (second), and the May Day celebration. Eight new brothers made their way into the mystic circle of the Alpha Sigs this school term. These boys are Ted Minster, Jerry Seibold, Marv Staley, Orville Beck, "Sonny" Claypool, Richard Poole, John Beck, and Jerry Brown.

Again this year we held our annual "Apache Dance" at the house. The girls were dressed in off the shoulder blouses and split skirts, while the boys wore dungarees and white T-shirts. Our spring formal was held at the Kenton Elks hall on Friday, May 12. Leonard Klaussing and his orchestra furnished the music for the evening. Our theme for the dance was the Talisman Rose, which is our fraternity flower. As it has been in the past the spring formal ended our activities for the year.

## Delta Sigma Phi

The Delta Sigma Phi fraternity celebrated its fiftieth anniversary this year, and the Alpha Eta Chapter of Ohio Northern University is proud to be part of an organization which has grown to a power in the Greek world. AH has made many marked improvements in the house this year by adding new front and side steps and painting some of the study rooms, making the "big white house on the corner" a better place to live.

The finishing of the basement paneling gave to the fraternity a place to hold bigger and better dances, as was exemplified in the annual "Sailor's Ball", and the "Valentine Dance." The chapter's Spring Formal was an enormous success and was enjoyed by all who attended.

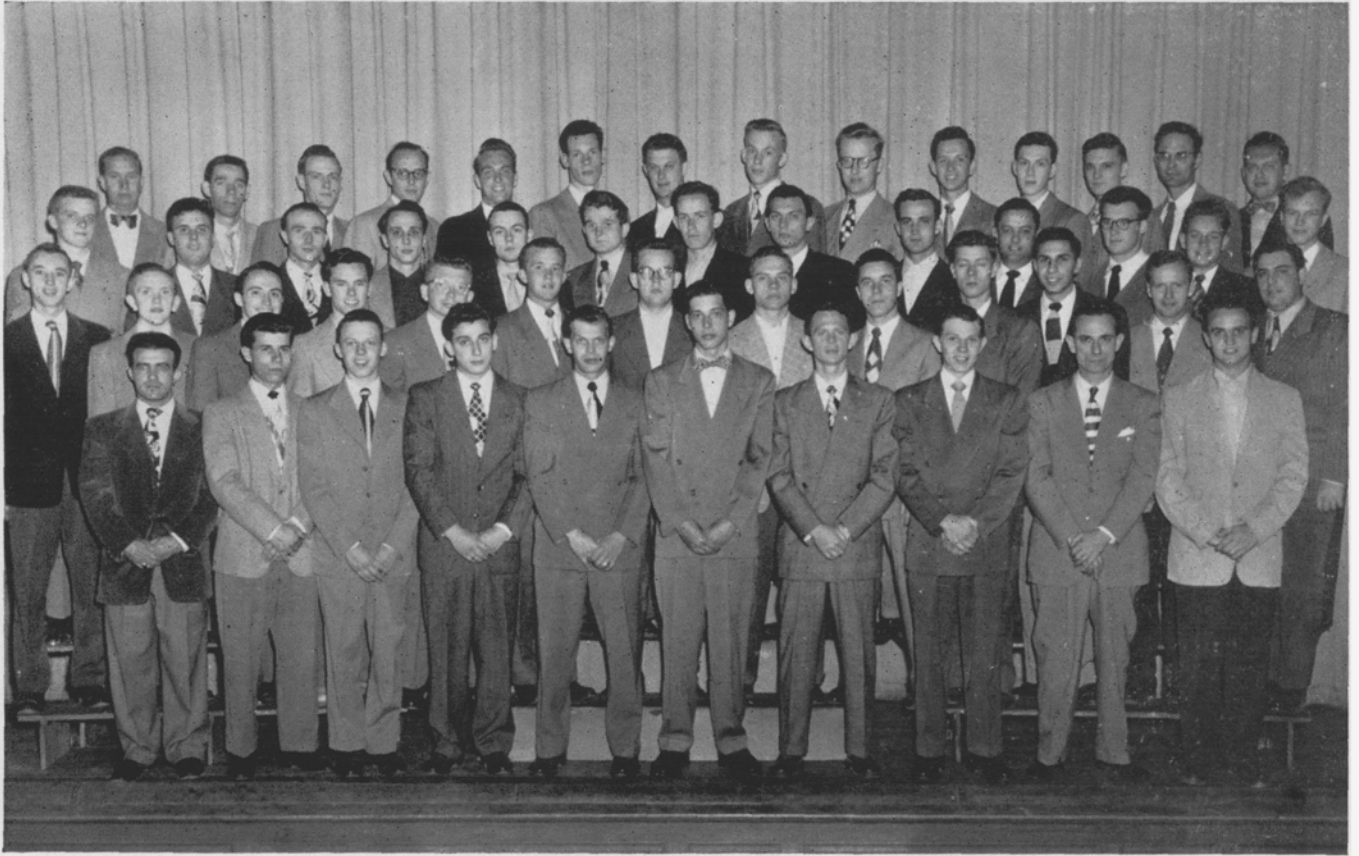

This year twenty-five brothers graduated, leaving a great vacancy to be filled, but the pledging and initiation of twenty-five new members in the fraternity plugged the hole and gave added strength with which to build an even better organization of college men.

Officers for the year were: Joe Neidhardt, President; Paul Kolbe, vice-president; Jim Jeffries, secretary; and Chuck Vedda, treasurer.

## Kappa Psi

The Kappa Psi Pharmaceutical Fraternity was founded in Richmond, Virginia, in 1879, with the Gamma Delta Chapter at Ohio Northern being founded March 20, 1920. Throughout these years it has been the primary aim of the fraternity to encourage good scholarship, to promote fellowship and mutual esteem, and in general to develop a more unified and honorable pharmacy profession.

In order to uphold these aims and to see that they are carried out there must be a group of officers. This year the results of the annual election were as follows: Regent, Charles D. Shaeffer; Vice-regent, DeMar A. Neal; Secretary, John A. Best; and Treasurer, Joseph A. Pata.

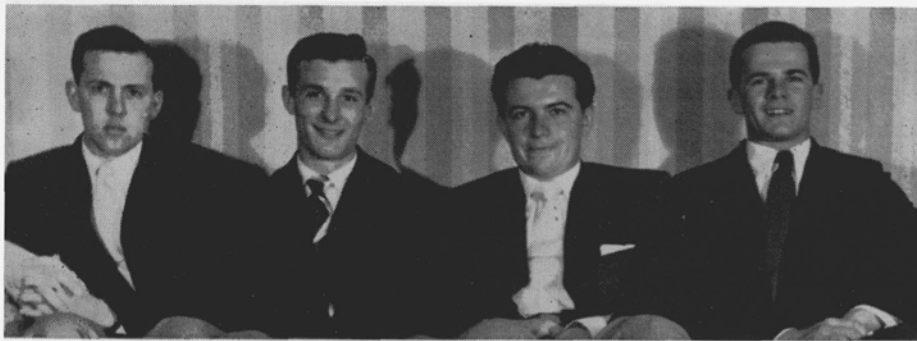

On the social side the Kappa Psi's participated in many campus affairs. They gave several house dances in addition to the annual Spring Formal, which this year was held on April 15. Besides this the Kappa Psi's this year have won their share of interfraternity trophies. Among these were basketball, first place; football, second place; ping pong; free throw; Homecoming house decorations; and Homecoming pushmobile races.

## *Phi Mu Delta*

The Mu Beta Chapter of Phi Mu Delta started the year off with a bang by completely redecorating the front room of the chapter house.

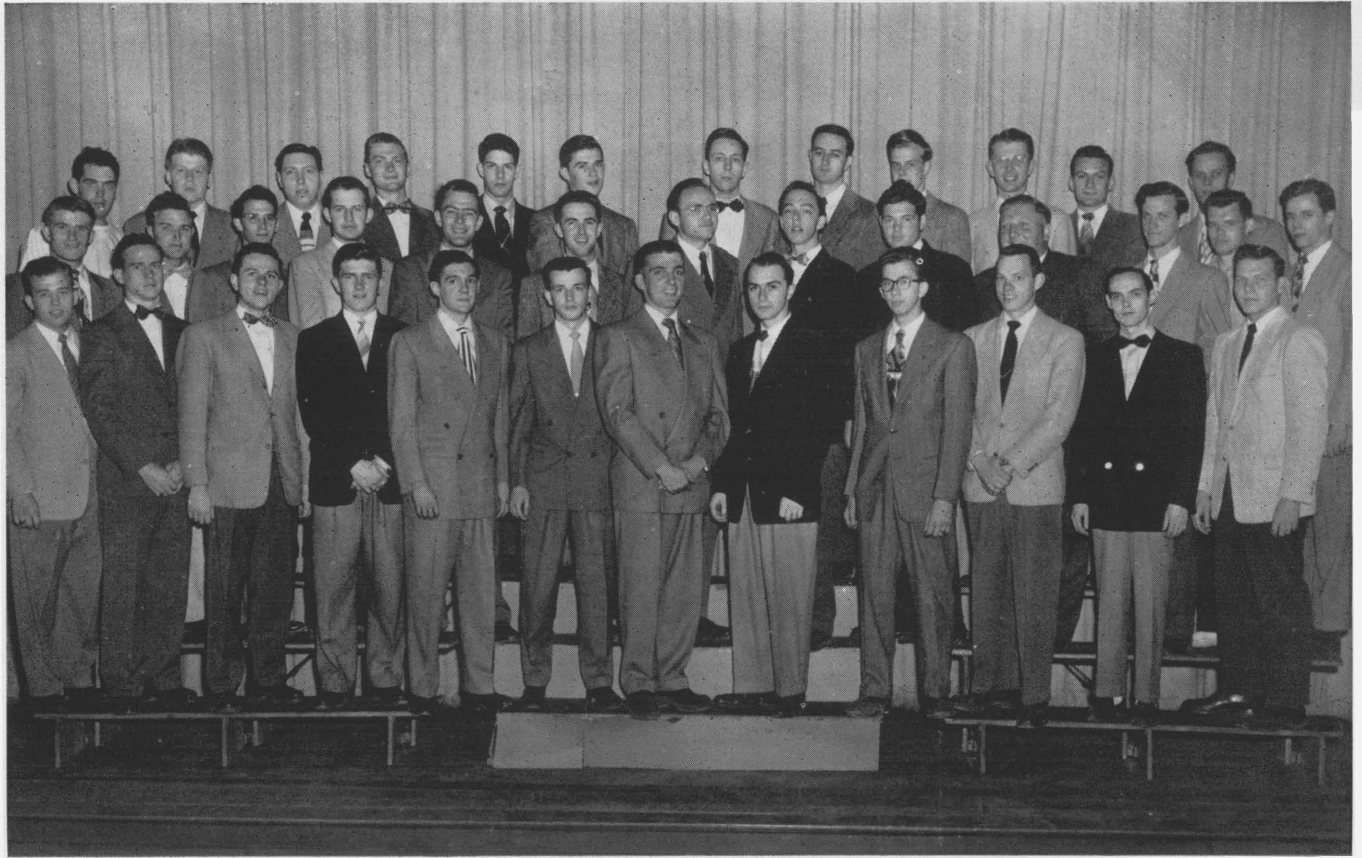

During the course of the year many house dances were held. Outstanding among them were the Monte Carlo Dance and the Night Club Dance. The big social event of the year, our Spring Formal, was well attended and proved a huge success.

A large number of men were pledged to Phi Mu Delta during the past year. These men will replace those lost through graduation. It is hoped that these men will continue to achieve the high standard, scholastically and socially, which have been ours in the past.

The administrators of the duties for the fraternity during the year were: Bill Hayden, president; Glen Wurster, vice-president; Walter Brutze, secretary pro-tem; and Charles Hockett, treasurer.

## *Sigma Phi Epsilon*

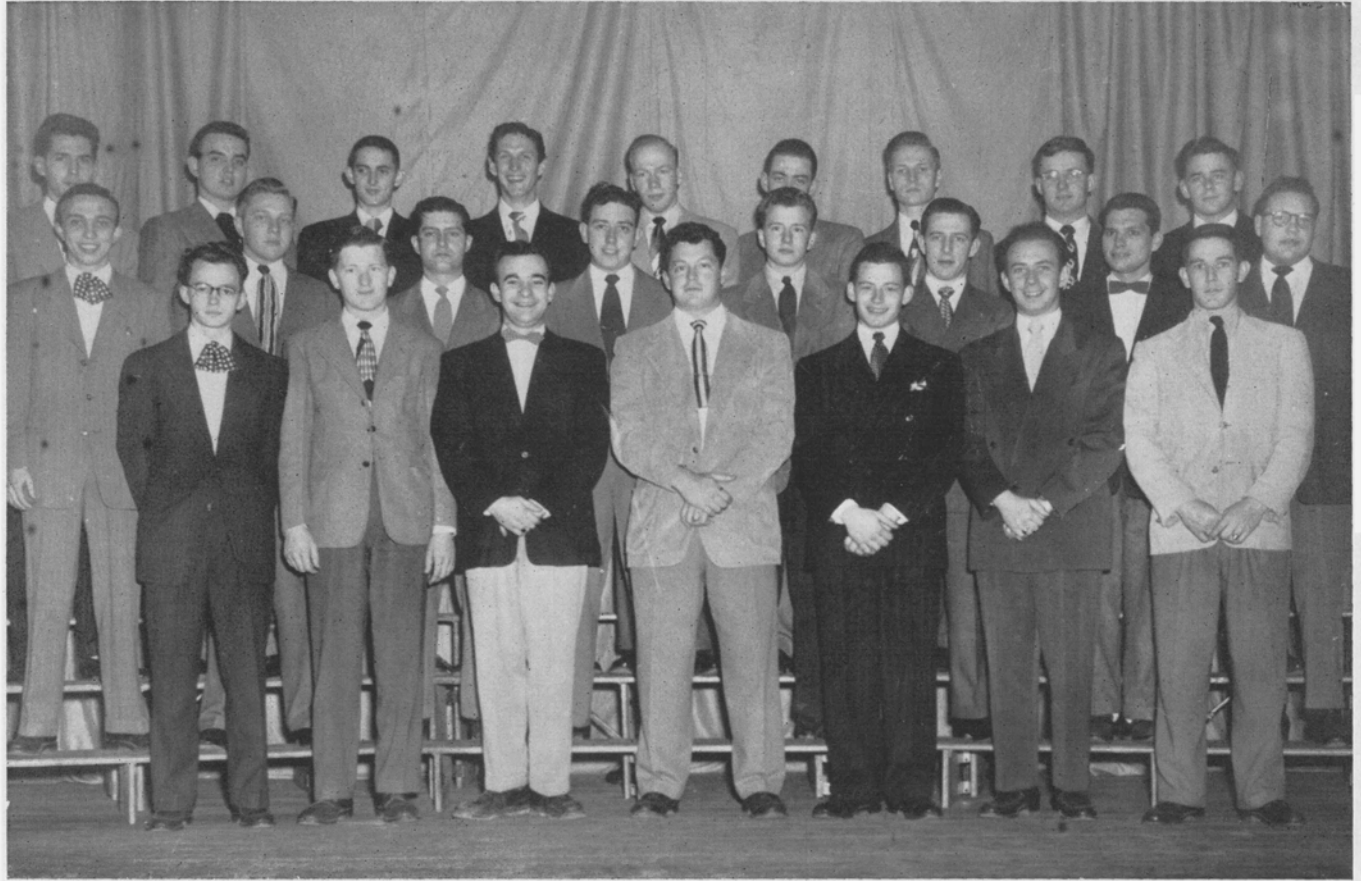

The officers for the year were: Eldon Nonnamaker, president; Eugene Graber, vice-president; Eugene Kreitler, historian; Ralph Pollock, comptroller, and James Harvey, secretary.

In the first weeks of school, the active members completely redecorated the first floor of the chapter house. New chromium steel furniture was put in the dinning room, and two new suites were added to the living room. The entire first floor was outfitted with new drapes, and new rugs. A new gas furnace was installed in the basement, and the entire second floor has been tiled.

An informal house dance was held September 24, and on September 27 all the Freshman girls were invited to the house for a buffet dinner. On October 12, the pledges put on a Hallowe'en house dance. Our Winter Formal of January 28 and our annual Daisy May Dance of March 25 were held at the chapter house. The social events of the year were climaxed by the Spring Formal.

## *Sigma Pi*

There has been considerable activity at the Sigma Pi house during the last year. Along with the regular dances, intramural sports events, and numerous other activities, there has been a general remodeling of the interior of the fraternity house and more improvements are expected in the near future.

In filling their social calendar the Sid Pi's held several very unusual dances. Their "Apache" and "Prison" dances will be remembered on the campus for a long time to come. The fraternity's Orchid Formal in May was also a high spot on the calendar.

During the past year there have been many new additions to the active chapter, and high hopes are had for next year.

At this time we of the Zeta Chapter of Sigma Pi wish to express our sincere best wishes to the brothers who have graduated during the past years. They have built the fraternity to what it is today, leaving a record that will be honored and respected in future time.

Officers for the year were: Wayne Frost, Sage; Dick Wagner, First Counsellor; Wayne Johnson, Second Counsellor; Bill Blauser, secretary; and Russell Bunker, treasurer.

## Theta Kappa Phi

During the past academic year, Zeta chapter of Theta Kappa Phi has enjoyed success fraternally, scholastically, socially, and in athletic endeavors.

The social year began with an open smoker which resulted in the pledging of a large group of men. After assisting with house improvements, the pledges sponsored the fall house dance. The success of these ventures proved that the men of Theta Kappa Phi would again set the social patterns of O. N. U. The Winter quarter produced two very enjoyable house dances, and the entire membership was eagerly awaiting the Spring quarter, which brought the fourth annual Turtle Dance and the Spring Formal. Both of these dances will long be remembered by those who attended.

Scholastically the Theta Kaps are proud to find themselves near the top and look forward to next year with hopes of doing even better.

In the interfraternity sports race, the men of Theta Kappa Phi managed to make a good name for themselves. Our teams were something to be reckoned with in all sports, especially football, as the "Little Notre Dame" six went through its second straight undefeated season.

# Northern Highlights

Greek Snapshots were taken at the various parties that were given by the Greeks this year. The Delta Sig Sailor's Ball was a real affair with Admiral Sheldon looking on. And no year would be complete without the Sig Ep "Daisy Mae" Dance. It gives the men a chance to see the girls legs again. The "Dance of the Seven Veils" was a highlight at the Theta Rush Party with Bev Kennedy doing the honors.

# Athletics

# Coaching Staff

From the beginning of the athletic season until the doors of Taft Gymnasium saw the last of the students leave it for summer vacation Marve English and Clyde Lamb worked tirelessly to give us an outstanding athletic program.

Clyde Lamb took over the football team while Marve English coached basketball and baseball. Marve is new on the ONU staff this year and has made a very good showing in his first year here.

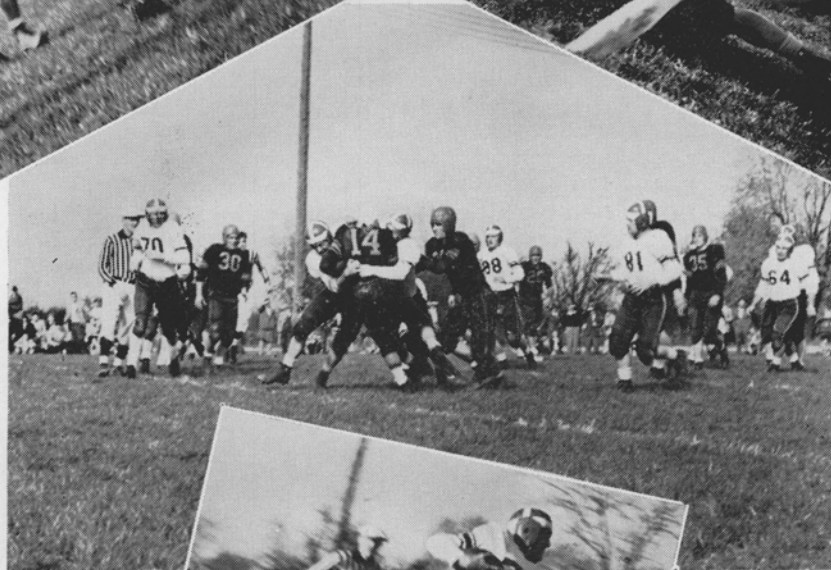

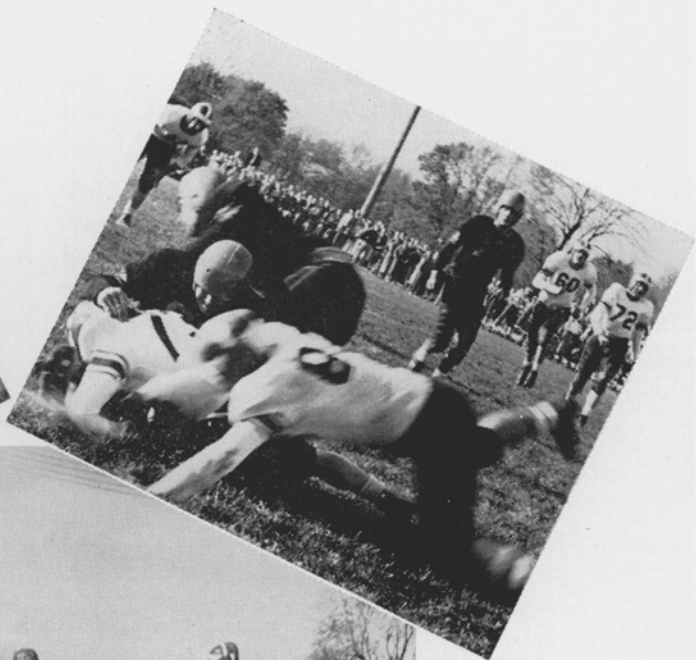

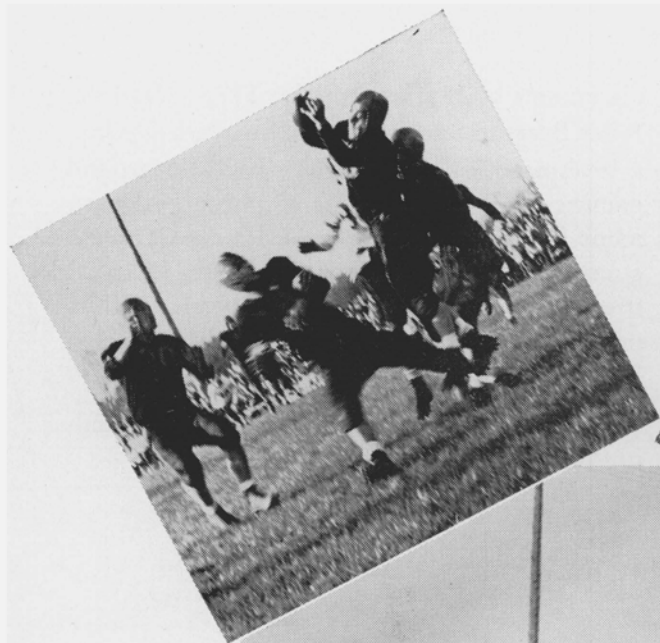

With these two men behind the teams, ONU athletes worked hard and gave their full cooperation and loyalty to their work. 1949-50 was a year of success for ONU and a year of stiff competition for opposing teams.

# Football Team

The O. N. U. Polar Bears wound up their grid season far out in front both statistically and in the win-loss column where they stood 6-3.

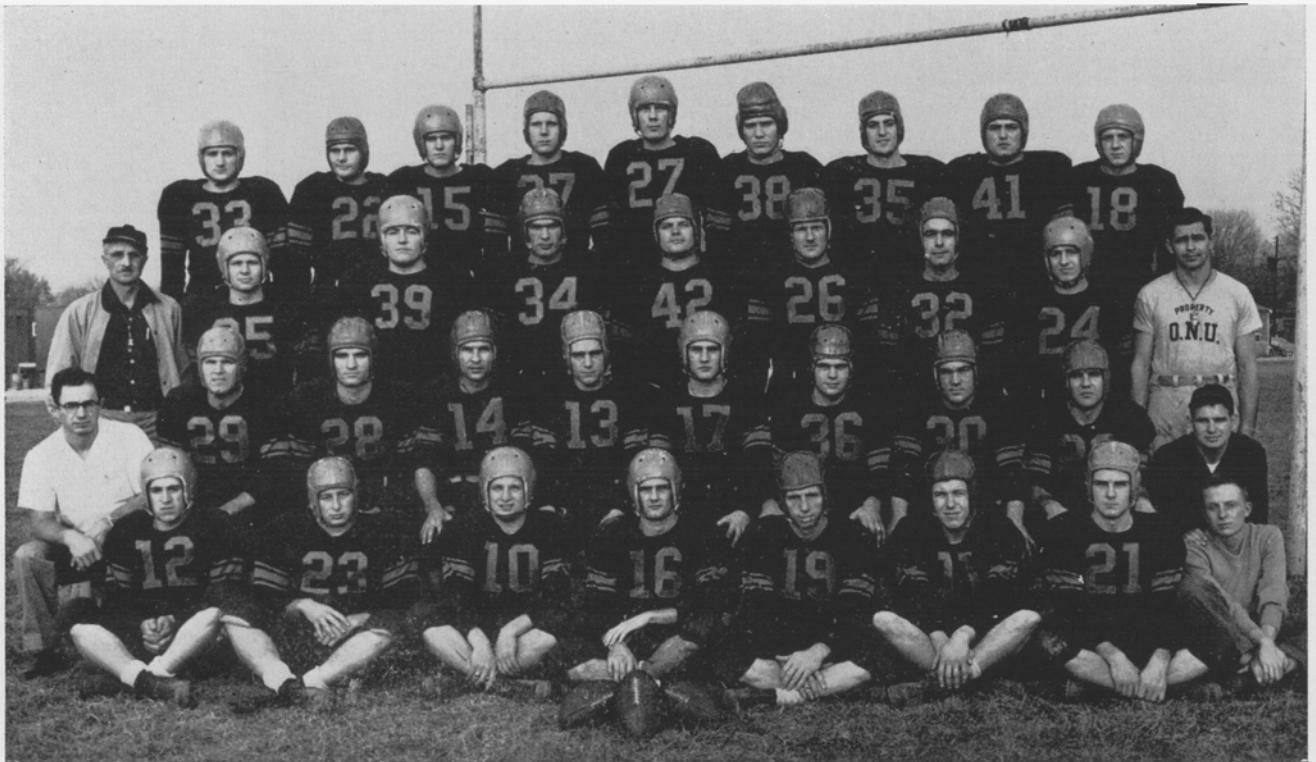

In their nine games the Bears not only rode often and fast over their opponents offensively, scoring 215 points, but their defensive line and line backers held opponents to 9.8 points per game.

Charlie Strasbaugh and Bob Donelson led Northern's scorers. Strasbaugh crossed the pay-off line 8 times. Donelson, while kicking 14

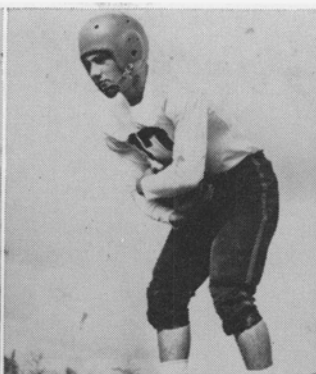

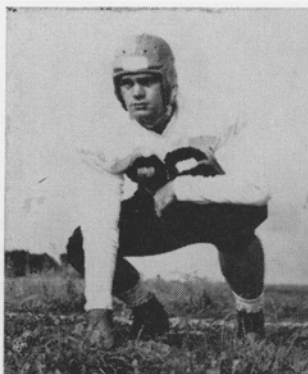

placements in 22 tries, scored 6 TD's to lead the Polar Bears in total point making. Jack Decker, a freshman, led the Northern backs in ground gaining. In the passing and punting department Bill Hayden completed 16 aerals in 38 attempts while Bill Arthur completed 12 in 22 tries. Hayden averaged 36 yards per foot while punting. Al Willoughby and Randy Roberson led the pack in pass receiving.

# "Football"

Dr. McIntosh announced this fall that Ohio Northern had withdrawn from the Ohio Athletic Conference, of which they had been a member since 1905. The move was made in accordance with the readjustments of the entire university organization. Dr. McIntosh pointed out that by this action the university is not compelled to have a freshman team but can give outstanding freshmen varsity berths. The University plans to maintain eligibility on the basis of National Collegiate Athletic Association rules so that athletic relations with conference member teams will continue.

Ohio Northern opened the 1949 Ohio intercollegiate football season by defeating Cedarville 32-2. Belying much pre-season pessimism of weakness, the Bears broke loose to score five times in the last three periods but converted only twice. Veteran Howie Dewalt and Jack Decker, who was making his first collegiate appearance, made strong bids for permanent backfield positions.

Northern traveled to Ashland for the first road game of the year only to be turned back by a stubborn Eagle squad 12-0. Although the Eagles pushed their way past the Bears 20-yard stripe only twice,

they were good for a touchdown both times. Northern threatened four times during the hard-fought game but could not penetrate Ashland's staunch defensive wall.

The next week, Northern came home to thrill local fans by running wild over the Taylor University Trojans to the tune of 45-6. In spite of showing conversion weakness the game showed depth in the Bears' backfield. The Trojans' only tally came late in the second quarter. After blocking a Bear Punt on the 19-yard line, they set up a sleeper play that caught Northern completely off guard.

The "road" jinx was on Northern again as they dropped a 13-0 fight to a strong and heavy Morris Harvey team for their second loss in four starts. Gene Baughman continued to show his abilities by leading both teams in ground gained. It took brute strength, endurance, and the two platoon system for Morris Harvey to shackle the invading Bears. The Golden Eagles scored once in the first period on a 51-yard march and tallied again in the third on a 73-yard march. However, it was tough going all the way against an ONU team that was reluctant to go home without a win.

# "Football"

Playing before a homecoming crowd of 2,500 old grads and students, the Polar Bears hung up a slim 6-0 victory over a pugnacious Wittenberg team. Northern sent little Bob Donelson over in the third period to provide the winning margin and the fourth straight Wittenberg defeat in as many starts. Wittenberg meant business all the way, but in spite of the fact that Northern was not the ball club that had battled Morris Harvey the week before, they could not reach pay dirt. Bill Hayden punted 8 times during the afternoon, averaging 41.5 yards per try, to keep the Tigers in the ball game.

Northern took a breather before the big game of the season with Heidelberg next week and romped over a weak Bluffton College eleven 48-0. With monotonous regularity the Bear backs shared honors by scoring in every period against a Beaver team that remained game to the end in spite of their inability to score a point or first down. Only twice did Northern yield to the Beavers on downs, once punting their way even deeper into Bluffton territory. Long runs were the rule of the day rather than the exception.

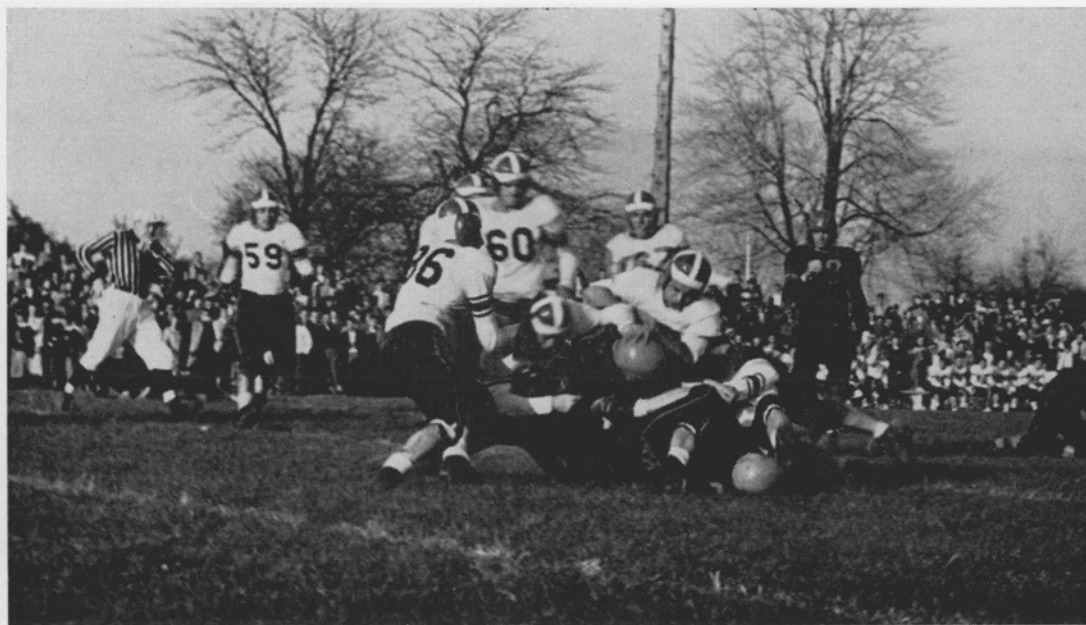

The Heidelberg Princes came to Ada for a repeat performance of last year's drubbing. Once again they showed deadly precision in the backfield and a robot-like line that was soon tearing Northerners' outclassed team to shreds. Reversing the tables of last week's game Heidelberg scored in every quarter to take a 41-6, victory and move into fourth place among Ohio college teams, dropping Northern down to seventeenth. On the second play after the kickoff

midway in the second period with the score standing 14-0, Bob Donelson slid off tackle and raced unhampered along the sideline for 72 yards to give the Bears their only score. With this score prodding them the princes went on to tally four more times before the final guns.

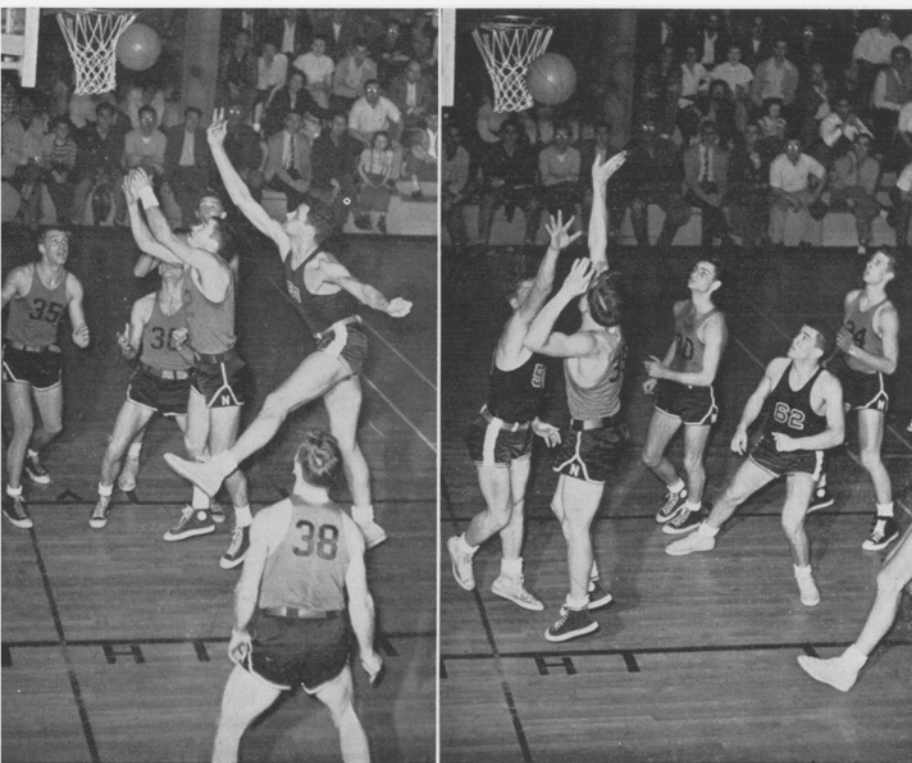

Homecoming was evidently the magic word for the Bears this season as they ran wild over Capital University and dampened the spirits of 3,500 Lutheran homecomers. After the stubborn underdog eleven had held Northern to a 7-0 margin at half-time, they wilted in the final period with all the finality of ice on a hot griddle. During this period everything that shouldn't happen to a football team happened to Capital, and Northern took full advantage to score five times and come up with a decisive 49-0 victory. This win lifted Northern to eleventh place among Ohio colleges.

With a 5-3 record under their belt the Polar Bears traveled to Findlay for the finale of the '49 season. Coming out strong in the last half to overcome a 14-7 half-time deficit with a 3-touchdown splurge, Northern defeated the Oilers 29-14 and erased a four-year-old Findlay gridiron dominance over Northern. Not only was this the final game of the season, but it was also the finale for many seniors who could be justly proud as they took their last curtain call.

This win put the Bears sixth among Ohio colleges and gave Ohio Northern high hopes of bigger and better days coming on the gridiron.

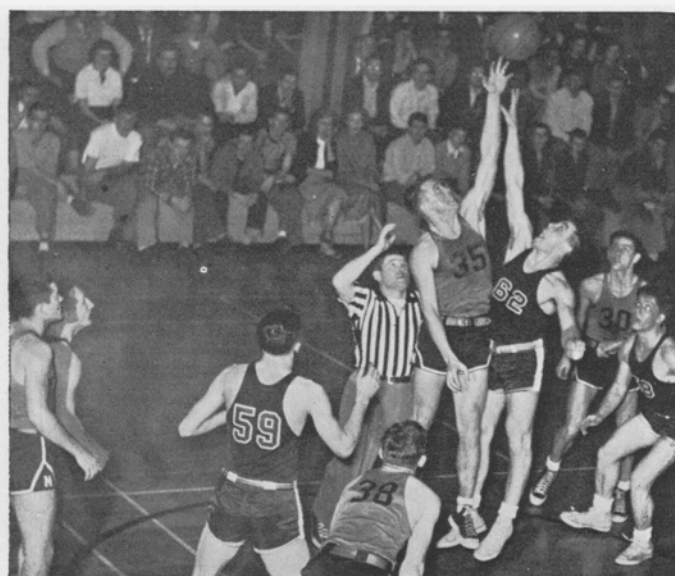

## *Basketball Season 1949-50*

Ohio Northern's Basketball team, although boasting only a nine win against thirteen loss record, is known throughout Ohio as the smallest and fastest team in the state. Coached by Marv English and led by four lettermen from last year, Seniors John McDowell, Bill Hayden Charley Strasbaugh and Billy Arthur, the squad played stirring basketball all season.

The Bears started out the season slowly. They dropped a heartbreaker to Canterbury College in Indiana in a pre-season tournament by the score of 72-69. Still having trouble getting started, they trailed Detroit Tech in their first regular game till the fourth quarter where, with an 11-point scoring spree by Freshman guard Bill Neal, the Bears took the game 49-40. In their second game the speedy quintet ran

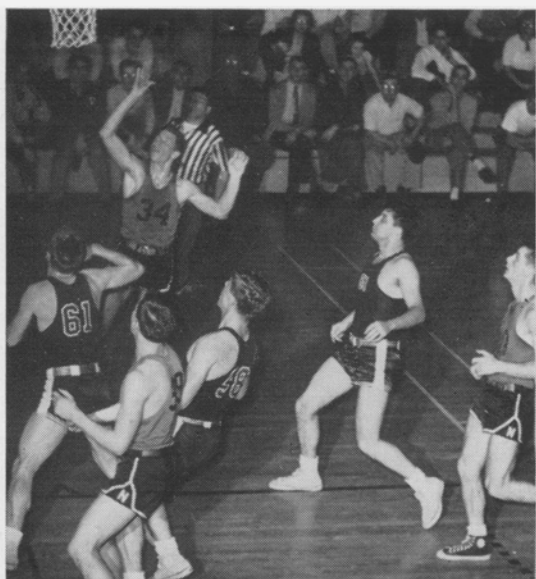

rings around Indiana Tech to the tune of a 86-36 score. None of the fans who watched the Muskingum game will forget the way Ohio Northern's quintet almost upset the Muskies. The Polar Bears led the Muskingum five till the last thirty seconds, when Bill Ruby, their tall center, came through. Ruby's twenty-five points for the night was what beat the O. N. U. team, with a final score of 56-59. In their fourth game the Northern Team, paced by Billy Arthur's twenty-five points, ran roughshod all over Bluffton. With dazzling speed and sensational ball handling they swamped the Beavers 68-39. Going up to Detroit Tech for their next game on Detroit's home court, the speedy quintet from Ada Whipped the Detroiters for the second time, 63-50. The sixth game of the season found the Polar Bears playing Heidelberg here in Taft Gym. Unfortunately the undefeated Student Princes proved to be too tall and their sharpshooting set the O. N. U. five down, 52-65. Still having a little trouble staying in the win column the Bears

were nosed out by a strong Trojan team, 63-65. The Taylor team came to life in the second half and took over the lead. Even though Bill Neal and Billy Arthur sank five fielders to tie it up at 58-58 in the last four minutes, they couldn't quite make it.

Traveling to Bluffton for a return game) the Northern Five had a little trouble before they subdued the Beavers. This game all of the starting five found the range and were making their shots, thereby getting their second victory over Bluffton, with a score of 75-70. The most exciting and stirring game of the past season was the upset the Ohio Northern Five scored over Marietta Collegz. Led by Billy Arthur and Bill Hayden with twenty points apiece, the Polar Bears outran, outscored, and outplayed the Pioneers. Originally made twenty point favorites and with two towering six foot five forwards, the Marietta team was baffled by the O. N. U. quintet's speed and ball handling and ended by dropping the game by a 76-59 margin. Coming into Taft Gym after the Marietta five

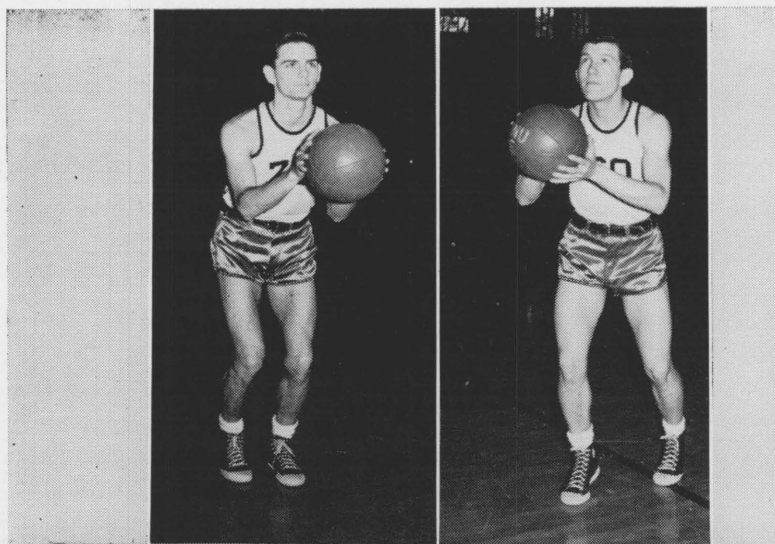

had departed, the Wittenberg Tigers, a rough and ready team, dropped their seventh game. The Ohio Northern players proved that they were a steady team by fighting the Tigers all the way and winning in the last few moments with a 75-73 score. Traveling to Wilmington the O. N. U. five dropped a game to the Wilmington Quakers by the margin of 62-69. Led by Billy Arthur with twenty-two Northern nevertheless could not match the Quakers' shots, although their last minute spark moved them to within seven points of the Quakers. Still on the road the Bears stopped next at Tiffin, where they dropped another game to Heidelberg, 86-75. Game number thirteen proved to be lucky for the O. N. U. five. The Polar Bears beat Hiram College, 87-75, to notch up their eighth win against five defeats. After beating Hiram the Bears went on to Alliance the next day, where they lost a close game to Mt. Union. Once again the height of the opposing team

dwarfed the Northern Five, although the score was only 57-59. Traveling down to Columbus the Polar Bears played Capitol, losing 68-69. The game was very close all the way through, with the lead changing hands several times. With Billy Arthur scoring twenty-eight points, the Bears were always ahead or close behind until the last few minutes, when they just missed overhauling the lanky Lutherans. Still running in hard luck, the Northern team dropped another game to Ashland, 63-76. In their first game with Findlay the Bears lost, 61-79. Despite Northern's attempt to overcome the height and shooting ability of the Oilers, they just could not make it. Seemingly unable to get back into winning form, the Bears were upset by an aroused Wittenberg team to the tune of 63-76. Returning to Taft Gym the O. N. U. five met Kenyon College and in a free scoring game, defeated them 83-72, with Arthur and Hayden scoring twenty-three and twenty-two points respectively. The boys in orange and black dropped their eleventh game to Ohio Wesleyan, 81-95, but the small speedy quintet gave Wesleyan a battle right down to the buzzer. Arthur led the Bears with twenty-three points, but Jud "Skyscraper" Millhon's fifty-four points kept the Polar Bears from overhauling Ohio Wesleyan, one of the top teams in Ohio. In their last game of the season the Polar Bears met Findlay at Taft Gym and in a nip and tuck battle, lost to the Oilers in the last few minutes 56-62.

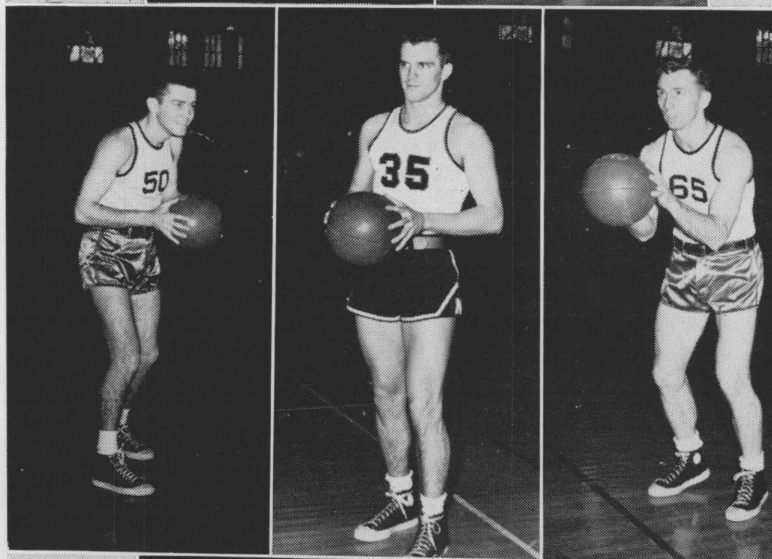

In the last game of the season Billy Arthur scored fourteen points, to bring his total for the year to 460 points, a new school record. In setting this record Arthur set a new high in averages for games played. Playing in 67 games with a total of 915 points, he averaged 13.6 points per game, the old record being set by Arden "Stretch" Reberson with a 13.5 average.

# Basketball Team Members

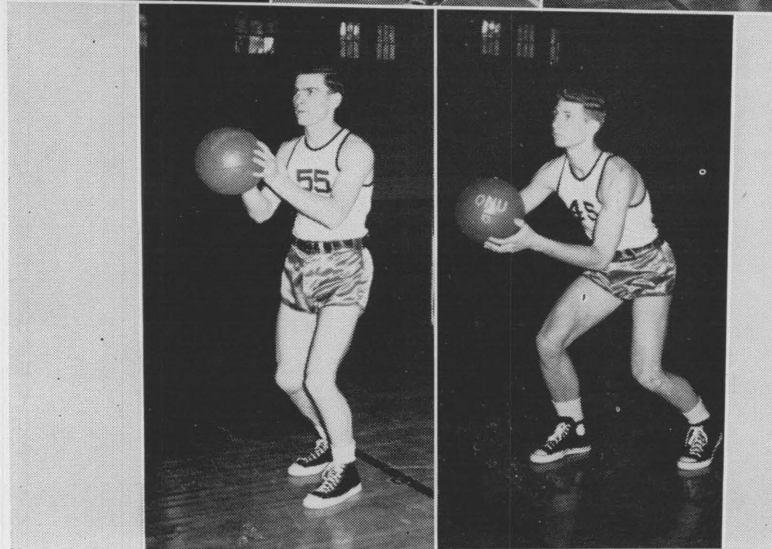

Bill Hayden; Bill Arthur (co-captains)

John McDowell; Bill Neil; Chuck Straubach

Chuck Mayers; Bob Rupert.

# Baseball

Northern's baseball team was placed at somewhat of a disadvantage this year with the return of only five baseball lettermen out of fifty-five candidates for the diamond.

Under the new tutorship of Coach Marv English the scrappy nine came out on the top end of a 5 win— 4 loss season.

With the first three regular scheduled games rained out, the Polar Bears got off to a slow start.

The Polar Bears started the season off by traveling to Oberlin to take the Oberlin nine to the score of 6-4. The May Day baseball game between Northern and Cedarville proved to be a different story when the Yellowjackets returned to Cedarville with a 6-2 victory under their belts. In the third game of the season Northern played host to Heidelberg and enjoyed the win taken at the Student Prince's expense 4-0. The Tiffin crew was not to go without revenge though when Northern invaded Heidelberg only to return on the short end of a 6-4 count. In the next baseball tilt Northern played host to Ashland and when the game was over Northern had won 6-4. In the only double-header game of the season Northern played the Bluffton Beavers and swept the day with 5-4 and 4-1 victories. This game will be long remembered around the campus when Bob Moorman, making his debut on the mound for Northern pitched a 1-hit game.

At Marion, in the tournament of the M. O. L., Northern bowed to Defiance in the 10th: 8-5. The last game for Northern came at Ashland College. The Eagles won their May Day game 6-5 to complete the Northern Polar Bear's season at five wins and four losses.

# Golf Team

The 1950 golf team were the winners of the Mid-Ohio League championship. The play-offs were held at Findlay on May 17. The four members composing the team were John Watkins of Granville; Bob Donelson of Carey; Martin Lewis of Marion; and Dick Zurz of Akron. These boys did a fine job and deserve a great deal of credit for their wonderful job. Golf has been a much overlooked sport on the campus in the past and through the fine efforts of these boys, we are hoping to popularize the sport much more. The success of this team will long be remembered by Northern students.

John Watkins, Bob Conelson, Martin Lewis, Dick Zurz.

# Cheerleaders

The freshmen were: Sarah Jo Morse, Georgia O'Brien, Mary Arthur, Thelma Helser, Sally Asman, and Jerry Wolfe.

Bev Kennedy, Ann Michaels, Dolores Kison, Jackie Lamb, Loretta Darnell, Clare Shuler, and Bill McHugh were the varsity cheerleaders.

Bev Kennedy, a senior in Liberal Arts from Marysville, Ohio captained the group.

TOP: Georgia O'Brien; Sara Jo Morse; Sally Asman; Mary Arthur.

If a team were rated by the number and quality of the cheerleaders, those extroverts who believe in victory through lung-power, then without a doubt, would have Northern's football, baseball, basketball, tennis, and track teams rank first in the nation.

This year, six freshmen added their voices to those of the seven varsity cheerleaders in chanting the praises of O. N. U. athletes.

BOTTOM: Beverly Kennedy, captain; Loretta Darnell; Jackie Lamb; Dolores Kison; Anne Michael.

# N-Men

The N-Men's Association is one of the most active of all campus organizations. It is composed entirely of Ohio Northern letter men; those fellows who have earned an "N" in some athletic enterprise, be it football, basketball, baseball, or track.

This year the N-Men were in complete charge of the May Day parade. Cloyd Byers was committee chairman and under his direction one of the most successful and beautiful of all parades was staged. The N-Men sponsored many other activities throughout the year.

Under the leadership of Randy Roberson the group gained much ground and gained more prestige. We know it will continue to be one of the most important of all campus organizations.

## *Dukes*

An organization that deserves much recognition and an organization that is new on Ohio Northern's campus this year was the "Dukes". The members of this group sold hot dogs to the frat and sorority houses and with the money they bought jackets signifying their group affiliation. The members of this group are very active in all sports on the campus and is composed mostly of boys in Phys. Ed. The Dukes copped the softball championship in the spring. We hope that in the future years this will become a top organization on the campus.

# W A A

The women's athletic association on Ohio Northern's campus offers opportunity for participation in all women's sports throughout the year. Under the guidance of president, Willa Creps; vice president, Nancy Brookhart; secretary, Loretta Darnell; and treasurer, Jackie Lamb, the 1950 intramural program was successfully brought to a close with the annual recognition banquet.

Members who had earned the qualifying points were awarded blankets, pins, and letters.

All in all the year was a very successful one and one that was enjoyed by all the members of W. A. A.

## Women's Intramurals

At the beginning of the year the kickball tournament was carried on as it had been previously with four teams, the Phi Chi's, T. K. K.'s, Thetas, and Independent girls. The Phi Chi sorority won this first tournament. Following this the officers of W. A. A. and Miss Marjorie Pieper, girl's physical education director, decided, that better sportsmanship and more interest could be developed by forming mixed teams for the sports during the remainder of the year. The basketball, volleyball, and badminton meets were carried out this way and the girls on the victorious teams were awarded bracelets with small charms, denoting the sport in which championship was won.

Little recognition is given the winners of badminton tournaments, so this year we are giving special attention to this sport. On the left is the singles champion, Loretta Darnell and runner-up Flo Weishampel. On the right are the winners of the doubles; Jeanne Clark and Flo Weishampel.

## *Tied with a Red, White and Blue Ribbon*

You receive it *proudly*, of course.

You've *graduated*. But isn't there a *deeper* reason why you feel your chin go up as you reach for your diploma? Isn't it the fact that you've received it from an *American* school? Where every student has an equal chance not just to "learn". .. but to learn undistorted truths? Where every student has an equal right, not just to do "good enough" ...but to *excel* .. in the classroom, on the athletic field, in activities of *all* kinds? For that is the strength of America. That is why it is ... and will continue to be ... a great nation.

## *In Appreciation*

At this time I would like to express my thanks to you, the student body and faculty, who have made this, the 1950 Northern, possible. It has been a great privilege and honor to be the editor of this book of memories. True, it was not always easy and the problems we encountered were many but with the aid of each staff member we were able to overcome them.

Much credit is due Mr. Jerry Guild who worked quite tirelessly behind the scenes to make this book a success. I would like to express my deepest thanks to him at this time.

Another important man behind the scenes was Dick Brier of the Indianapolis Engraving Company. Without his aid and patience I am sure we would have been lost. On behalf of the entire school and the annual staff, I would like to give him our grateful thanks.

Mr. George Graessle of the Graessle-Mercer Printing Company gave us much aid in the printing design of our book. Dr. Hilliard served as advisor to the 1950 Northern and gave us much constructive criticism and needed advice.

I hope that in some small way this issue of the 1950 Northern will help you recall a memorable year on the campus. We have all worked hard to make it a big success.

Barbara Jones  
Editor
